

HARDING ASKS RAIL HEADS TO HELP

SEEKS COOPERATION IN VOLUNTARY RATE CUT BY LARGER ROADS

Held Conference With Nineteen Leading Executives at White House Dinner Last Night—Executives Vote to Have Committee Named to Take up the Question

(By The Associated Press)
WASHINGTON, May 20.—Request was made by President Harding at a conference with 19 leading railroad executives of the country at a white house dinner conference tonight for the cooperation of the larger roads with the interstate commerce commission in voluntary reductions of railroad rates. An agreement was reached for the creation of a special committee to take up the matter further.

The rate matter was gone over during the conference in which Secretary Hoover participated and it was declared in a white house statement issued after the meeting had terminated that the railroad executives were unanimously in favor of assisting the restoration of business by such rate action as they might find possible to take.

The only statement issued was that from the white house the railroad executives departing immediately and declining to discuss the conference, which lasted until a late hour.

ANOTHER NEGRO IS BURNED AT STAKE IN CONROE TEXAS

One is Hanged by Mob Near Alleyton in Same State

(By The Associated Press)
CONROE, Texas, May 20.—Joe Winters, 25, negro, was burned at the stake in the court house yard this afternoon. Thousands of persons, including women and children witnessed the lynching.

Winters, just before the match was touched to his oil saturated clothing, admitted an attack upon a fourteen year old white girl near Leonidas.

Mob Hangs Negro.

COLUMBUS, Texas, May 20.—Mose Bozler, 56, a negro, was hanged to a tree today by a mob of 300 persons near Alleyton, after he had been taken from officers who were holding him on a charge of an attack on a young white girl yesterday.

Bozler was arrested this morning near Fretzburg, about five miles from the scene from the alleged crime. The mob took the negro from officers about noon and carried out the lynching quietly.

REACH AGREEMENT FOR HOLDING OF IRISH ELECTIONS

Leaders Also Agree on Formation of Coalition Cabinet

(By The Associated Press)
DUBLIN, May 20.—An agreement making possible the holding of Irish elections in June and the formation of a coalition cabinet was reached today by the leaders of the two political factions in Southern Ireland and was unanimously approved by their respective followers in the Dail Eireann. Michael Collins, head of the free state Republic government and Eamon DeValera, Republican leader arrived at the agreement after all possibility of reaching any semblance of reconciliation had been virtually abandoned.

The minor points of divergence concerning the proportion of representation in the ministry were waived, the question as to the issues to be decided by the June elections was ignored. In the pre-election campaign those in favor of Anglo-Irish treaty establishing the state will be free under the terms, to say that the election will be on ratification of the treaty and those opposed to the treaty may deny that proposition.

The actual terms correspond closely with those put forward by Harry C. Boland, who represented the Republican section of the peace committee appointed a few days ago by the Dail.

There will be a coalition panel presented to the electors. It will contain the names of candidates representing both sides at their present strength in the Dail and will be recommended to the electors as the ticket of the Sinn Fein organization.

Wherever there is no contest the existing members will come back. Contesters cannot wholly be avoided because the labor party will nominate candidates and theoretically any other body can do the same. But it is generally believed there will be many uncontested constituencies. After the election there will be a coalition cabinet of eleven members, including the president and the minister of defense. The remainder will be composed of five pro-treaty members and four Republicans, the president being empowered to decide the offices that each will hold. In the more distant future it is provided by the agreement that if the coalition government should find it necessary to dissolve a general election will be held as soon as possible.

On the face of it the Republican conference obtained everything it had asked for, but yielded on two points, not insisting formally barring the treaty as an issue and assenting to the election being for the 26 counties of Southern Ireland only. Both sides expressed satisfaction with the result but doubtless it will be a disappointment to the British cabinets since it tends to unite all the Irish sections in all future negotiations on the treaty and on the constitution and conduct of the Irish government generally.

MOVING PICTURE STAR IS FACING BIGAMY CHARGE

Rudolph Valentino is Under \$10,000 Bond in Los Angeles

(By The Associated Press)
LOS ANGELES, Calif., May 20.—Rudolph Valentino, motion picture star arrested today on a charge of bigamy, was at liberty tonight under \$10,000 bonds to appear for preliminary hearing June 1. The complaint against him was issued by the district attorney's office.

After his arraignment, Valentino issued a statement saying his marriage to Miss Winifred Hudnut at Mexicali, Lower California, a week ago today "was prompted by the noblest intentions that a man could have."

He said he had been advised that a marriage on Mexican soil would be valid, notwithstanding the fact that a year had not elapsed since the time his first wife, Miss Jane Acker, was granted an interlocutory of divorce in a Los Angeles court.

The complaint was issued by Deputy District Attorney McClellan upon receipt of a report from investigators that they had inspected the record of the marriage at Mexicali and had located witnesses who were prepared to testify that Valentino and his bride had passed last Tuesday night at Palm Springs, a resort in California. These circumstances, according to Mr. McClellan made possible a prosecution for bigamy under the California penal code.

The situation is unusual if not unique in that prosecution has been instituted in a county where no overt act of the alleged felony took place.

The district attorney's contention is that state laws have been violated by the marriage at Mexicali and subsequent residence in Palm Springs, and that action could be undertaken in any part of the state.

It was brought out in the complaint that Valentino is a resident of Los Angeles county and that the interlocutory decree granted his first wife was issued here.

The state code provides that the marriage "outside the state" of a person having a husband or wife living is bigamous, provided there should be subsequent residence within the state of the parties to such marriage.

DISCOVER PLOT TO ROB CHICAGO BANK?

(By The Associated Press)
MACOMB, Ill., May 20.—Local authorities believed today that the finding yesterday of a packet of code letters in a road near here had disclosed a plan to rob the Chicago State Bank on May 27. Officers believe the letters were accidentally dropped from an automobile carrying parties to the plot.

The missives were addressed to eight men of foreign name and were to have been distributed to these persons by the man to whom the package was addressed, according to a letter in English which accompanied the missives.

Sheriff Sapp forwarded the letters to Chief of Police Fitzmorris of Chicago.

FRED O. RANSON BUYS WORLD TIRE BUSINESS

The World Tire Store at 218 South Main street, recently opened by William S. Dews, was sold Saturday to Fred O. Ranson, who took possession immediately. Mr. Ranson has been operating a similar store in Beardstown for about a year, and now will divide the time between the two.

Mr. Ranson is well known in this community where he has set an enviable record in the sale of automobile insurance, a line he will continue to carry on.

MISS KIRKPATRICK TO WED GRIGGSVILLE MAN

Announcement has been made of the engagement of Miss Myra Kirkpatrick, daughter of Rev. and Mrs. J. O. Kirkpatrick of White Hall, to Charles Shoemaker of Griggsville. Miss Kirkpatrick is a graduate of Illinois Woman's College, has been an instructor in the community high school at Griggsville. Mr. Shoemaker is a well known Pike county man.

Four More Arrests In Fargo Bank Case

(By The Associated Press)
FARGO, N. D., May 20.—With four additional arrests today growing out of indictments returned by the Cass County grand jury against 13 persons, charging complicity in alleged embezzlement of funds from the Scandinavian-American bank of Fargo, the total was brought to seven, according to Sheriff Kraemer.

The men arrested today are: J. J. Hastings, former vice-president of the bank, arrested at Pocatello, Idaho.

N. G. Eggen, former vice-president and cashier of the bank, arrested at Los Angeles.

P. R. Sherman, former cashier of the bank, arrested at Los Angeles.

Louis P. McAneny former credit manager of the bank of North Dakota and recently connected with the war finance corporation at Fargo.

Mr. McAneny furnished bail in the amount of \$2,000. Two indictments were returned against him, one charging aiding and abetting A. C. Townley, former president of the National Non-Partisan League, William Lemko, former attorney and others in embezzling \$3,000 from the Fargo bank. The other indictment charges Mr. McAneny with complicity in embezzlement of \$216,378.

The indictments returned against the thirteen persons grew out of an investigation conducted by the Cass county grand jury into the affairs of the business relationship between the Scandinavian-American Bank of Fargo and the Bank of North Dakota.

Hastings was indicted on account of making false entries.

Eggen and Sherman were indicted on charges of making false reports in connection with certain loans made by the Scandinavian-American Bank to the Consumers United Stores company. The state also charges that these reports were a misrepresentation of the bank's condition.

VICE PRESIDENT COOLIDGE SPEAKS AT DES MOINES

Will Address Presbyterians at Mass Meeting Tonight

(By The Associated Press)
DES MOINES, Iowa, May 20.—Vice President Calvin Coolidge arrived today to address a mass meeting sponsored by the board of education of the Presbyterian general assembly tomorrow evening.

Governor Kendall, of Iowa, John P. Wallace, brother of the secretary of agriculture and Presbyterian officials welcomed Mr. Coolidge.

After dinner he spoke briefly before a Presbyterian men's banquet which was going on at the same hotel.

Commissioners this afternoon expressed pleasure at the news from the assembly of Southern Presbyterians, now meeting at Charleston, W. Va., which appeared to pave the way for closer relations, and perhaps ultimate reunion between the two branches. Efforts at reconciliation have been a recurring feature of each year's general assemblies.

Since the split caused by the Civil War, there has been a gradual drawing together, each year's effort at a rapprochement falling just short of accomplishment.

The slight difference in the names of the denominations has been a frequent cause for confusion. The northern church is known as the Presbyterian church in the United States of America, while the Southern is called the Presbyterian Church in the United States. The northern branch gradually has penetrated southward in the establishment of churches and there is a considerable number south of the Mason and Dixon line.

The moderator was authorized today to send President Harding and members of congress copies of resolutions condemning laxity of law enforcement and respect for law.

HEALTH OFFICER IS FLOGGED IN ALABAMA

(By The Associated Press)
BIRMINGHAM, Ala., May 20.—Dr. J. D. Dowling, health officer for Birmingham and Jefferson county, and special representative of the United States public health service was lured from his home Wednesday night, taken into the country and flogged, it became known tonight.

His abductors told him, Dr. Dowling reported that his methods were too "kaiser-like" and warned him to "leave the community within thirty days."

S. J. TOMPKINS BUYS SPRINGFIELD PROPERTY

The Jacksonville friends of Mr. and Mrs. S. J. Tompkins and their two daughters will be sorry to know that the family is to remove to Springfield some time in June. Mr. Tompkins has purchased a desirable home there in Hawthorn addition and possession is to be given in the course of the next four or five weeks.

Subsequent to appointment of G. W. Schwaner as deputy revenue collector in this district, Mr. Tompkins, who has been in the revenue service for a period of years, was appointed to the position of chief clerk. Since that time he has been spending only the week end with his family here, remaining the rest of the time in Springfield.

SOME TRAFFIC FIGURES

Just as a matter of interest one evening the past week Guy Lynn counted the number of cars that passed the Standard Oil service station at the corner of Prairie and West State streets. In ten minutes time just 50 cars passed that point, and the traffic was no heavier than it frequently is there when the weather conditions are favorable for car driving. A horse drawn vehicle on some streets has a very difficult time these days.

CEMENT MAY BE PUT ON THE FREE LIST BY SENATE

Fight Which Was Opened Yesterday May Cause It

(By The Associated Press)
WASHINGTON, May 20.—Restoration of Portland and other hydraulic cement to the free list with a provision for tariffs against countries which discriminate against American exports of the commodity may result from the fight which was opened in the senate last night and continued today on the duty of five cents per hundred pounds proposed in the pending tariff bill.

A suggestion that the bill be amended was made by Senator Smoot, ranking Republican on the senate finance committee and it is expected that the committee will take up the matter early next week. Meantime, the senate approved a duty of 20 per cent ad valorem on other cements, this representing an increase of three per cent in the rate in the house bill.

Resuming the Democratic attack on the hydraulic cement rate, Senator Hitchcock read the indictments returned by a federal grand jury in New York against what was characterized as the Eastern and National Cement Trusts and declared that the tariff proposed would further aid manufacturers who now were being prosecuted by the department of justice for violation of the anti-trust laws.

The senator said the trust controlled 85 per cent of production in this country; that it had raised its prices twice as high as they should be and that it had sent agents before committees of congress to seek high tariff duties.

Senator Townsend, Republican, Michigan, in whose state great quantities of cement are produced, said that all that was desired was protection against the Canadian producers. Retorting that importations from Canada were a myth, Senator Hitchcock read official figures to show that imports had totalled only a few thousand barrels a year.

Turning from cement the senate took up zinc oxide and approved the committee rates and then recessed until Monday without a night session.

REFUSES TO ALLOW COMEDY BULL FIGHT

(By The Associated Press)
MILWAUKEE, Wis., May 20.—The petition of Oscar (Happy) Felsch, that Charles Comiskey, president of the Chicago White Sox baseball club, be forced to appear for examination under the discovery statute was taken under advisement by Judge Gregory in the circuit court today.

The hearing closed with Felsch's attorneys predicting that their petition would be granted, while counsel for Comiskey asserted "no such examination can be ordered under present laws."

Judge Gregory announced he would submit a written decision soon and that he will set a limit for the examination if ordered. If Comiskey is to be examined at all it will be done in Milwaukee, the judge declared.

Declaring that "baseball has rotten for years back and the magistrates were trying to forget," Attorney Cannon, counsel for Felsch told the court it was his intention to expose the alleged crookedness and find out "whether Landis and Comiskey are beyond the reach of the courts."

"The argument that Felsch came into court with 'unclean hands' has no foundation as Felsch was never proved a member of a crooked ring, but simply was discharged when he was involved with Cicotte. Nothing in the affidavit indicates that Felsch was 'in on crookedness.'"

M. J. Oldham, Molina's lawyer, described the humorous qualities of the animal, to say nothing of his master. Molina would be dressed in Charlie Chaplin clothes. He would stage a boxing bout in the ring, with "America" acting as referee. Molina would shoot craps, and "America," with a policeman's helmet perched between his horns would butt Molina. Molina, would pretend he was hurt and the bull would kiss him by blowing his face.

The judge was stern. There was a city ordinance against bull-baiting, fighting and similar pastimes, he declared. He declined to grant an injunction.

"Poof!! I say poof!! To all who do not like my bulls!! I go ahead I go to jail," said Molina.

ATTENDED DINNER GIVEN FOR POSTMASTER GENERAL

Postmaster Ralph L. Dunlap and Assistant Postmaster Thomas Harber went to Springfield yesterday to be present at a dinner in honor of Postmaster General Hubert Work. A reception was given in the afternoon and a dinner at the Leland Hotel at night. The occasion was memorable in various ways, prominent citizens of Springfield having part in the program.

DEMONSTRATION IS GIVEN LLOYD GEORGE ON HIS RETURN HOME

Said That When Nations Pledged Themselves to Non-Aggression Was the Most Dramatic Spectacle He Ever Witnessed—Believes Russians Sincere in Their Peace Desires

(By The Associated Press)
LONDON, May 20.—Premier Lloyd George in an interview on his arrival home today, dwelt on what he characterized as the most dramatic spectacle "I ever witnessed in any conference," when the representatives of 34 nations arose and solemnly pledged themselves to non-aggression.

"We must remember," he added, "that only a few weeks ago armies were massing on frontiers extending thousands of miles with the evident intention of marching against each other. By the Genoa conference their march has been arrested."

The premier declared himself convinced that the Russians were sincere in their desire for pacification and dilated on the significant fact that nations which were formerly hardly on speaking terms gathered round the same table, exchanging civilities and courtesies.

He believed this better feeling would be permanent because, as he put it, "it represents a deep seated feeling in the hearts of the people of Europe, who are tired of fighting and want peace to resume their ordinary vocations."

The premier confirmed the report that he was not going to The Hague conference adding that the government would choose the best possible man for that job.

The prime minister's adherents in the lords and the house of commons staged for him an enthusiastic welcome on his return to London from Genoa. They gathered in great numbers by a preconcerted plan at the Victoria station. President cheering greeted the prime minister as the train steamed in and Lloyd George had to stand a rapid fire of congratulations from peers and commonsers surging around the door of his compartments, hats in the air, and cheering with the utmost vigor, the crowds behind the barriers joining in the demonstration.

CARAWAY WANTS DAUGHERTY TO QUIT HIS JOB

Accuses Him of Being Connected With the Case of C. W. Morse

(By The Associated Press)
WASHINGTON, May 20.—Communications purported to have passed between Attorney General Daugherty, Thomas B. Felder, former Georgia attorney, and Charles W. Morse, New York shipbuilder were presented to the senate today by Senator Caraway in support of charges that the attorney general was closely connected with the release of Morse from Atlanta federal penitentiary in 1912.

One document offered was a photostatic copy of a contract alleged to have been signed by Felder and Morse under which the latter agreed to pay Mr. Daugherty, then a practicing attorney in Columbus, Ohio, and Felder \$25,000 for obtaining his pardon and release from the Atlanta prison. Another purported letter from Mr. Daugherty to the New York shipbuilder and former banker making an engagement to discuss payment of a "balance" of legal fees.

Senator Caraway after presenting the documents declared the attorney general still was having relations with Felder and added that Mr. Daugherty had requested Felder to employ as his assistant in defending the Bosch Magneto company in the pending investigation into the company's affairs, H. L. Schaefer, who recently was discharged from the department of justice for alleged disloyalty to the department.

Mr. Caraway described Schaefer as the government's chief witness against the Bosch company.

The senator then proceeded to tell the senate that in the light of these matters, "there is only one decent thing for the attorney general to do—that is to resign and not embarrass the administration any further."

Submission of the documents came in the midst of a wrangle over the Morse case in which half a dozen senators participated and in which Mr. Daugherty was both attacked and defended. Felder also was attacked and Schaefer was described as a man of high character and one who did not need to depend upon a government for a livelihood.

WILL MAKE EXTENDED TOUR OF THE EAST

Major and Mrs. L. G. Beckwith who drove to the city recently from their home in Bay City, Michigan, have been guests at the home of Mr. and Mrs. Louis Kelly on South Diamond, and other relatives. They expect to leave within a day or two for Chicago for a brief visit with relatives. Later they will make an extended tour of the east, their itinerary including many of the larger cities.

"Foolish Wives" cost lots of Money". This is the news paper head line advertising a movie production. That sentence of six words tells the truth and lots of it.

"Big Tim" Murphy, accused of being the brains of the Chicago labor terrorists, makes the worn out plea of a frameup. Every time evidence piles up against a crook the frameup cry is heard. Some of the "quick justice" they are talking about in Chicago should apply in this case.

Mr. Edison has suggested a plan for financing farmers and would have money advanced to them in an amount equal to 50 per cent of the crop prospect. The plan contemplates a loan without interest or at a very low rate. Mr. Edison also would extend a credit and store house system to coal mine operators. Wonderful have been the achievements of Mr. Edison but somehow the public has more confidence in his suggestions about electrical development than they have when he talks of new financing plans.

The most effective remedy that has been suggested to cope with the Chicago crime situation is quicker court action. More judges are to be assigned to criminal cases and an increased number of assistant state's attorneys employed, both with the view to hastening the progress of trials. When a crime is committed and the hearing not had for months and months afterward, the interest of the public has been dulled, the crime and possibly its atrociousness have been forgotten and convictions are far more difficult. Speedy justice will do more toward preventing crimes than will the appointment of scores and scores of officers to enforce laws.

The board of local improvements has had a number of hearings and some rehearings have been necessary. The board seems to take a cheerful view of a difficult task, knowing that the path-way which leads to public improvements is seldom smooth. There are always conscientious objectors to any paving projects.

and no doubt the board has observed that these same objectors, if they happen to be car owners, always travel over the streets where pavements are in good condition and avoid the bumps on the streets where they reside.

Chemists at work with soy beans are said to have discovered a method of extracting milk. The product is said to be fully equal to cow's milk in the matter of nutrition. The handling of a dairy at best is a tedious matter, requiring most careful attention seven days in the week and fifty-two weeks in the year.

If the soy bean experiment proves out in the way it now promises what a revolution there will be in the dairy industry! Such a development will be no more wonderful than things that have come to pass in the last decade.

The ascendancy of Progressives in some localities will not be a bad thing for the party and the country—provided the aforesaid Progressives do not seek to assume all the leadership. This would of course mean a party split and the consequent joy of the Democrats, giving them their chance to win. It is to be hoped that both the Progressives and the members of the Old Guard will keep in mind the events that brought the Wilson administration into being.

The jury which heard the evidence against the Dalton had who ran away with \$700,000 or \$800,000 worth of bank securities, could not agree on his guilt. It's often the case with juries that sentiment rather than the law and the facts shape the finding. The argument was that the bank was in fault in entrusting a boy 16 or 17 years of age in a cage where so much money was in reach. But it is just as well to remember that in most cases habits of honesty and integrity are formed before the age of 16.

SOCIETY

May Party at High School.

The lovely May Day party was given last evening at the high school by the members of the Girl's Club. This was the first annual event of the kind and the club plans to have a similar one each year. All the students of the high school were invited and about 250 guests were present.

The most attractive feature of the evening was the crowning of the May Queen and the May Pole dance, held in the high school auditorium. Miss Elizabeth Poruff, who is the president of the club this year, in a pretty ceremony crowned Miss Ruth Staff, president elect of the club for next year, as Queen of the May. Following the ceremony the May Pole dance was given. This crowning of the new queen by the queen who is retiring as president of the organization, is to be instituted as an annual custom.

After the crowning of the May Queen the guests went to the gymnasium of the Junior High and there an interesting program of games and contests was carried out. The gymnasium was attractively decorated for the party with flowers and ferns and after the games the guests were invited to the high school cafeteria where a delicious buffet supper was served.

All the members of the high school faculty were invited as special guests at the affair. Miss Josephine Milligan was chairman of the committee in charge of the party and she was assisted by Miss Elberta Whitlock, Miss Melva Moses and Miss Toinette Cully.

Students Enjoy Picnics.

A number of the classes at Illinois Woman's College have been enjoying picnics during the last week. The Story Telling Class of which Miss Janette Powell is the teacher went on a picnic at Nichols Park Friday afternoon. The Bird class went on a hike out to Rowe's woods west of the city last evening. The girls went out about four o'clock and cooked supper in the open. Miss Harriett Whitmer is the teacher of this class.

Gamma Delta Girls Give Progressive Dinner.

A most delightful progressive dinner party was given last evening by the members of the Gamma Delta Society of Illinois College. The affair was the last of the rushing events of the season and a large number of freshman girls were the invited guests. The dinner was at six o'clock and began with a course served in the society rooms at Beecher Hall. The second course was served at the home of Miss Florence Chapin on Mount Avenue. The guests then went to the home of Miss Erma Wolfe on West College avenue where the third course was served. The last course was served at the home of Miss Katherine Parker on West State street. At the close of the last course Miss Eloise Capps played a group of violin solos and the rest of the evening was pleasantly spent with dancing and games.

Miss Palmer's Pupils Give Dance Program.

The students of Miss Betty Palmer's interpretive dancing class gave a very attractive program of dancing yesterday afternoon at the home of Miss Palmer on Caldwell street. The program was given as the closing event of the term and the mothers of the little girls were guests at the exhibition. The program which is given below included folk dancing and different phases of interpretive and aesthetic dancing. The pupils were all in costume and this added greatly to the pretty effect of the dances.

The program was as follows:
Japanese Dance in two groups.
Mary Ellen Newell solo dance.
English Folk Dance in two groups by members of the whole class.

Short interpretive dances by each member of the class.
(The pupils were given an idea and each worked out her own dance.)

The members of the class are: Misses Miriam Frank, Ruth Walbridge, Agnes and Helen Brennan, Betty Lane, Virginia Thompson, Mary Ellen Newell, Cornelia Woods, Gretchen Badie, Margaret Caldwell, and Margaret Gebert.

I. S. B. Students Enjoy Outing.

The students of three classes of the Physical Training department of the School for the Blind enjoyed a real treat yesterday afternoon when they went out to the woods about one mile east of the point church and had a picnic. They left the school about three o'clock in the afternoon and made the trip to the woods in automobiles. A fine picnic supper was prepared and the young people had a royal good time. Miss Edith Gilleady, the head of the Physical Training department had charge of the picnic and was the hostess for the afternoon.

Girls Society Entertain Faculty Members.

The members of the Philanthropic Society at the school for the Blind, were the hostesses at a charming lawn party given yesterday afternoon.

day afternoon. The affair was an open meeting and the guests at the party were the members of the school faculty and Superintendent and Mrs. Robert Woolston. An informal program was given during the afternoon and attractive refreshments were served during the hours of the party. The society is composed of the older girls of the school and this party was one of the prettiest events of the season. Miss Leota Lohr was the chairman of the committee in charge of the party.

Women Hold Market.

The women of Central Christian church held a market yesterday at the Covel Grocery store on South Sandy street. A large variety of pastry, cakes, hot breads and other delicious home made foods was for sale and the ladies realized a considerable amount from the market.

Greetings Staff to Give Breakfast.

The annual breakfast of the Greetings staff of Illinois Woman's College will be held Monday morning at the Peacock Inn. The breakfast will be served at eight thirty o'clock in the morning in the blue room of the Inn. PRIZE WINNERS NAMED IN PERFECT FOOT CONTEST

The "perfect foot" contest which has been in progress at the Hopper shoe store for several weeks past, came to a close Saturday night when prizes were awarded. The first went to Miss Margaret Camm, daughter of Mr. and Mrs. S. J. Camm of route 3, Franklin, and the second to Miss Frances O'Donnell, daughter of Mr. and Mrs. L. F. O'Donnell of 538 South Diamond street.

The judges were Frank Rippee and J. D. Merge, from the Scholl Mfg. Co., of Chicago. The contest was under the direction of J. L. Reid, practitioner, who took the photographs for all the contestants altho he had no part in making the award. Each of the ladies as a prize has the right to select for her self any pair of shoes in the Hopper store.

The selection of the "best" feet is done in thoroughly scientific manner by aid of the apparatus that Dr. Scholl has perfected. The contest attracted a great deal of interest.

CLUBS

The social meeting of the Ladies Aid society of the Congregational church will be held at the home of Mrs. M. O. Mathews, 121 Westminster street, next Thursday afternoon at 3 o'clock instead of next Tuesday afternoon.

The Ladies Aid of Brooklyn church will hold a called meeting Tuesday afternoon with Miss Marie Goheen on South East street. A full attendance is desired as matters of importance will come before the meeting.

There will be a called meeting of the Reverend James Caldwell Chapter, D. A. R., Monday afternoon.

There will be a Tablet Committee meeting at three o'clock Monday at Duncan Memorial.

The Ladies Aid of State Street Presbyterian church will hold their regular all day meeting on Thursday from 10 to 5. Mrs. F. A. Lane will be chairman of the day.

The Young Woman's Guild of Congregational church will meet on Friday at 2:30 p. m., with Mrs. Lillsworth Black, 321 Lockwood Place. A large attendance is desired as this will be the last meeting before vacation.

The Sewing Circle of Northminster church will meet all day Thursday, instead of Wednesday.

ELKS OF STATE TO MEET AT GALESBURG

Delegates from Jacksonville lodge of Elks will be chosen at an early date for the state convention which is to be held in Galesburg May 31, June 1 and 2. Galesburg Elks are working out an elaborate program of entertainment and the delegates are assured that every possible courtesy will be extended.

In addition to the regular business sessions a portion of one will be devoted to a memorial for departed Elks, with a special tribute to James A. Finlen, now deceased, who served the grand lodge as secretary for a four year period.

Are you interested in the health of this community? Hear Dr. Evans at Grand Opera House Thursday evening, May 25th. Dr. Evans is editor of the Health Department of the Chicago Tribune.

WILL HAVE GREAT CHOIR

A number of churches of Springfield have united for Sunday evening services which will be held in the court house square. The watch factory band is to play and a great chorus choir is being organized. D. M. Swarthout of Decatur, formerly of Jacksonville, has been secured to lead this big chorus during the months of July and August.

FRANKLIN BOY INJURES FOOT

Alden Ryan of Franklin had the misfortune to run a rake tooth thru his foot Friday afternoon, causing him much pain. He was brought immediately to Our Savior's hospital, where the wound was properly dressed. In addition he was given an injection of anti-tetanus serum. He was able to return to his home Friday evening and is expected to be able to use his foot after a short time.

"Your cursed pride did that"

And the boy, soul-sick at the wreck of his love, flung out of his father's home and sank to the depths.

But this smug "foremost citizen"—what of him? What of the girl who gave up when she wasn't fit for his son? What of his church that was ruled by hypocrites? What of the thousands of honest workers whose lives these hypocrites darkened?

Was there any way to the light?—Only one!

A story that turns the dregs of life to the sparkling wine of happiness.

A Synopsis of Story

Edna Morris, daughter of the American Ambassador to a South American Republic, is inveigled into a hasty marriage with a worthless attaché of the embassy. The same day he is threatened with arrest for embezzlement, and to escape, leaps into the bay. He is believed drowned. The scandal is hushed up and Edna's father then resigns his post, travels around the world for a few years to help his daughter forget, then returns to his family estate in the United States. Edna soon falls in love with Jack Dart, a neighbor, and their engagement is announced. Soon Potter turns up, demanding money for silence.

The "Dearie" Is decidedly SMART

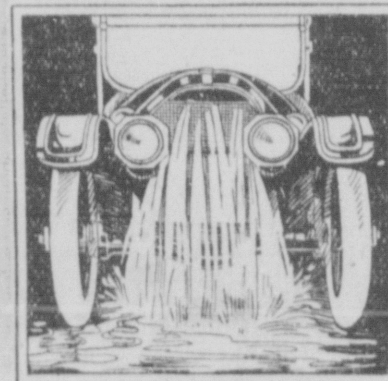

Whether flashing from beneath the heavy broadened gowns and multitudinous petticoats of a Madame Pompadour of Louis XV's Court, or proudly displayed on the slim, trim foot of the maid of the moment, attractive footwear has always held the interest of the wearer and observer.

You know this and so do we. With this thought in mind we have provided the "DEARIE" in high grade black satin and patent kid. Also a very similar pattern has been provided in white kid. These styles are decidedly Fifth Avenue but the price is low considering the grade of these shoes. Priced at \$6.95 for quick selling.

'Conceit'

by Michael J. Philips

A Powerful Photoplay
With An All-Star Cast

This story appeared in Munsey's Magazine under the title of "The Toll of the Wilderness."

A story of smart society and a thrilling tale of adventure, sumptuously staged in Nature's fairyland—the Canadian Rockies.

A vital, complex story which conveys in turn the languid aroma of the hothouse orchid and the pungent perfume of the pines.

A story in which the imprint of French heels and moccasins lead to a trail of adventure that will make the blood tingle with the sheer romance of it all.

ALL IN READINESS FOR HOSPITAL DRIVE

CAMPAIN FOR OUR SAVIOR'S
BEGINS MONDAY.
Workers Will Assemble at Nine
O'Clock—Some Facts About the
Building—Open to Inspection
Today.

The whole organization which has been perfected to carry on the campaign to raise \$25,000 among Jacksonville people to assist in furnishing and equipping the New Addition to Our Saviour's Hospital will meet in the Chamber of Commerce rooms on Monday morning at 9 o'clock for final instructions before the campaign is formally opened.

All day today the New Addition is open to visitors who are welcome to inspect the building from top to bottom. It is safe to say that those who go to see it will tarry to admire it and leave it to ponder upon the gigantic task which the Sisters of the Holy Cross have undertaken in erecting this modern, up-to-the-minute, perfectly arranged, beautifully constructed building for the benefit of suffering men and women.

Rooms Described.

Start in the basement and you will find the following rooms:
1 dining room for Sisters,
1 dining room for special nurses,
1 dining room for nurses in training,
1 dining room for hired help,
1 class and lecture room for the nurses in training,
1 store room,
1 diet kitchen,
1 utility room,
1 elevator machinery room,
1 emergency room where patients are received from the ambulance and kept, awaiting removal to the upper floors.
Mount the stairs to the first

floor and you will see the following nicely appointed rooms.
20 rooms for patients,
1 diet kitchen,
1 linen room,
1 general bath room,
1 private utility room.
On the third floor:
18 rooms for patients,
1 diet kitchen,
1 linen room,
1 general bath room,
1 utility room.

Climb still higher to the third floor and you will find the first and second floors practically duplicated with the following accommodations:

18 rooms for patients,
1 diet kitchen,
1 linen room,
1 general bath,
1 utility room.

It is on the fourth floor, however, that one finds a varied assortment of rooms each adapted to a particular phase of the modern medical method of treating the sick and injured to the best possible advantage. The object of any hospital is to return the patient to a normal, healthy condition in the shortest time possible, to enable the patient to resume his productive occupation in life. This fourth floor gives the medical men the best facilities to assist them in this work that it is possible for human ingenuity, to devise.

The Operating Rooms.

At the north end of the fourth floor are the two large general operating rooms, each lighted by a fine northern light which streams in thru glass walls and skylights. Then follow in proper order, the following rooms:

1 operating room, (eye, ear, nose and throat),
1 laboratory,
1 etherizing room,
1 sterilizing room,
1 surgical dressing room,
6 rooms for x-ray purposes,
1 general bath and toilet,
1 general wash up room,
2 shower bath rooms,
1 diet kitchen,
2 general utility rooms,
1 general bath room,
1 linen room,
1 chapel room,
4 rooms for patients.

Finally climb the last two or three short flights of stairs that bring you to the top of the building and step out on the roof garden. Enjoy the magnificent view for miles around. Draw deep draughts of the wonderful fresh air. Note how the gentle breezes cool your perspiring brow. Then contemplate what a wonderful place the roof garden will be for the convalescent patients as soon as they are able to make the trip by elevator to the roof from their rooms fraught with memories of feverish days and sleepless nights. Here on the roof garden they will bask in the sunshine and breathe deeply of the beautiful supply of God's fresh air. Nature's remedies will assist those of men in bringing back health, strength and happiness.

Built on Sacrifice.

Then as you leave the hospital after having seen its admirable arrangement and construction, meditate upon this fact: Our Saviour's Hospital and the New Addition are built almost entirely upon the sacrifices of the Sisters of the Holy Cross who have given and who are now giving their very lives in this service for humanity.

Without them and their untiring zeal Our Saviour's Hospital could not be operated a single year without appealing to the people of Jacksonville and vicinity for financial assistance. In all their 26 years of hospital service in Jacksonville they have made but one public appeal for financial aid. On December 20, 1914, a tag day campaign was conducted. This yielded \$1274.35 which was immediately turned into x-ray equipment for the betterment of the hospital facilities in that department. Why has it been possible for Our Saviour's Hospital to carry on its mission of service to the suffering for a period of 26 years without receiving more than \$1274.35 from the general public of Jacksonville? Follow me and I will tell you.

The Value of Service.

When Our Saviour's Hospital was opened in 1896 there were 8 Sisters on duty there. Today there are 15 on duty. It is fair to assume that the average number for the whole period is 10. Place a value of \$25 per week upon each Sister's services. That is a very small value in comparison to the remuneration now paid to nurses. One Sister's services at \$25 per week would amount in a year of 52 weeks to \$1300. The services of 10 Sisters for one year would amount to \$13,000. The services of 10 Sisters for the whole period of 26 years would amount to \$338,000. In other words the people of Jacksonville and vicinity have received gratis, during the last 26 years, services to the value of \$338,000.

If it were not for the fact that the Sisters receive nothing for their services except the necessities of life it would have been necessary for the people of Jacksonville and vicinity to have contributed to Our Saviour's Hospital the handsome amount of \$338,000, during the past 26 years, or go without the hospital facilities which it has afforded during those years.

The Sisters who have served at Our Saviour's Hospital and those who are now serving there, have all dedicated their lives to the relief of suffering men, women and children. They have borrowed a tremendous sum of money in order to build the New Addition solely for the purpose of enabling themselves to extend their sphere of usefulness in alleviating suffering. After the New Hospital has been finished, equipped, furnished, and put into operation, the remuneration of the Sisters will continue to be just exactly what it

has been here for the past 26 years—the bare necessity of life.

A Modest Request.

They ask the people of Jacksonville for the comparatively small sum of \$25,000 to be used in defraying a part of the cost of furnishing the New Addition. Surely their appeal, the first real appeal in a period of 26 years, will not fall upon deaf ears.

\$250 Will Furnish a Room.

The cost of furnishing a room for patients will amount to \$250. If any one wishes to establish a memorial of this kind a name plate, bearing the name of the donor, will be placed upon the door of the room.

The following committees have been appointed in addition to those already announced:

West Jacksonville:—F. L. Sharpe, Captain. O. F. Conklin, Mrs. W. S. Jones, Charles A. Rowe, W. L. Leach, James Ransom.

South Jacksonville:—Captain, Mrs. O. H. Burman, Mrs. Ed. Young, Mrs. Thomas Quinn, Mrs. Earl Epler, Mrs. Lloyd Magill, Mrs. Lambert Hastings.

CLAIM CASE HEARD IN COUNTY COURT

In the county court Saturday afternoon Judge Samuel had a hearing on the claim of Miss Gertrude Hocking against the estate of C. M. Hocking. This was a claim for \$3,000 for services rendered. Hugh P. Green appeared on behalf of the complainant and the estate was represented by J. Marshall Miller. The jurors were J. L. Wyatt, A. L. Pierson, C. B. Meggison, Lee Rexroat, Jerome Culp and J. T. Hogg.

The jury received instructions from Judge Samuel about 5 Saturday afternoon and shortly afterward a verdict was returned fixing the amount due Mrs. Hocking at \$2,640. The claim was for nursing services, Mrs. Hocking maintaining that she took care of both Mr. and Mrs. Hocking for several years without remuneration.

POULTRY PRIZES FOR BOYS AND GIRLS

As an incentive to boys and girls of Morgan county to enter poultry at the coming county fair the Poultry association will offer prizes totaling \$100. If sufficient interest is shown by the boys and girls in the poultry exhibit it is the plan to organize a poultry club along the general lines of the club organization.

It Takes Quality to Make Quality

Haphazard methods of production will not produce fine clothes.

The extraordinary merit of our L. System Clothes is due to the fact that the organization which makes them is geared for quality in every department of production.

Nothing is left to chance. From the selecting of the wools, to the draughting of the models, from the cutting of each garment singly, to the patient, painstaking hand workmanship wherever it adds to service or to style, every step in the making of an L. System garment is a step upward and forward in the direction of quality.

DEATHS

Nolte

Mrs. John Joy of Joy Prairie has received word of the death of Miss Minnie Nolte who passed away at the home of her niece in Berkeley, California a short time since. Miss Nolte was a lady of rare worth and excellence and had many friends among the earlier residents of the city.

Lashmet.

George Lashmet, brother of Jones Lashmet of this city, died at his home near Winchester at 7:30 Saturday morning. He was born in Iowa, December 10, 1865.

Soon after his birth the family moved to this vicinity and the greater part of his life has been spent in Scott and Morgan counties. He was married to Miss Emma Collins, daughter of Judge Collins of Winchester and is survived by his wife, three sons and three daughters.

The funeral will take place at Winchester at 9:30 Tuesday morning.

VISITORS FROM DECATUR

Mr. and Mrs. George Hackett

of Decatur are spending Sunday in the city and are guests at the home of Mrs. J. H. Hackett on South Main street. Mr. Hackett, who is a prominent business man of Decatur, has during the past year taken a special interest in hard road work, and now has general supervision of the hard road program in Macon county which is being carried on under the direction of the board of supervisors. Macon county has found this an economical method of developing the hard road system.

STRAWBERRY SHORT
CAKE POPULAR DISH

Quick work was done by the Cannon Commission Co. yesterday with a car of strawberries. The car, which was shipped from Monett, Mo., arrived in Jacksonville Friday night and by nine o'clock Saturday morning the 420 cases of berries had been sold.

Some of them were shipped out by express and a truck load was taken at 9 o'clock Friday night to Chapin and sent over the late Burlington train to Beardstown for early Saturday morning delivery. The firm has distributed five cars of berries in the past ten days, the demand indicating that the popularity of a strawberry short cake is steadily increasing.

FORMER MINE OPERATOR
DIED AT LOCAL HOSPITAL

The death of William Kirby, at one time prominent in the mining industry in central Illinois, occurred Friday night at a local hospital. Mr. Kirby was interested in mining properties at Greenview, Talula, and Springfield at different times during his business life. Some years ago he was injured by a mine timber and had never regained his health.

The deceased was born in 1840, and was a native of England but had spent the greater part of his life in the U. S. He is survived by his wife, who prior to her marriage was Miss Rachel Hutton, and one son, Benjamin Kirby of Los Angeles, Calif., and a graduate of Illinois college.

The remains were taken to the Reynolds Mortuary and interment is to take place in Springfield.

BIRTHDAY SURPRISE PARTY AT ALEXANDER

Mrs. Caroline Luby Pleasantly
Surprised on 74th Birthday—
Other Alexander News Notes.

ALEXANDER, May 20.—Saturday was the seventy-fourth birthday anniversary of Mrs. Caroline Luby of Alexander and the occasion was fittingly observed. Mrs. Luby's daughters, Mrs. Carolyn Patterson and Mrs. Margaret Hartzell, planned a birthday party for their mother, and she was greatly surprised when a company of her friends arrived and announced they had come to help her celebrate the important occasion.

The afternoon was very pleasantly spent in a social way and several musical selections added materially to the interest.

News Notes
Rev. C. D. Robertson, pastor of Centenary church in Jacksonville, will fill the pulpit at the M. E. church Sunday evening.

Mrs. Barclay of Springfield was a guest at the home of Mrs. Carolina Luby Saturday.

Henry Wiley of Buffalo who came to attend the graduation exercises at the Franklin high school, arrived in Alexander Friday evening for a visit with relatives.

Mr. and Mrs. F. J. Kaiser and family expect to spend Sunday at the home of D. Reid and family at Bates. Mrs. Kaiser and Mrs. Reid are sisters.

TWO APPEALED CASES

Two appealed cases were filed in the office of Circuit Clerk Wamamaker Saturday for hearing at the next term of court. They are cases that have been appealed from justice courts, John E. Parr vs. Charles Sanders and Hazel Morris vs. Edgar Morris.

T. E. Jewsbury of Litchberry was down to the city yesterday.

BENEFIT MARKETS GALORE YESTERDAY

Four Markets in Business Houses
Sell Home Cooked Foods.

The house wives of the city doubtless will have a vacation today due to the purchase of home cooked foods from the markets yesterday. The Passavant Hospital Ladies Aid Society held a successful market in the show-rooms of the C. N. Priest garage, Mrs. John Kastrop, Miss Lizzie Katschak, Mrs. James Brown, and Mrs. Guy Lynn were in charge, the money received going to the Isolation Ward Fund.

The Ebenezer Ladies' Aid had a sale in the Auto Inn, to replenish their decorating fund. Those in charge were Mrs. C. S. Black and Mrs. A. W. Waltman.

There was a splendid display of eatables, home cooked, at the Dorwart market, Mrs. R. R. Stevenson, president of the Westminster Missionary Society, Miss Jessie Holmes and Mrs. A. F. Kitzer had charge.

The Loyal Women's class of Central Christian church conducted the fourth market in Coverly's store on South Sandy street. Mrs. Robert Mullenix was in charge. All of the markets reported good sales.

OUR SAVIOR'S HOSPITAL CAMPAIGN APPROVED

Well Known Citizens Tell Why
Campaign for Funds Should Succeed.

Members of the executive committee in charge of the campaign for Our Saviour's Hospital have asked a number of citizens to express their views with reference to the hospital and the campaign. Herewith are brief statements from Harry M. Capps, J. Weir Elliott and Dr. H. A. Dollear, all prominent citizens of Jacksonville and who are genuinely interested in the good cause of aiding the hospital at this time of special need:

From Dr. Dollear.

Replying to your request for an opinion regarding the financial drive to assist Our Saviour's Hospital, I have this to say: The hospital organization has, in erecting this new building and modernizing its equipment, met an urgent community need.

It is a well known fact, that a very large percentage of patients admitted to the hospital are unable to pay their own per capita cost, much less provide a profit with which to make improvements.

The hospital organization has gone far in erecting this splendid building, and, I am confident the community it serves will demonstrate appreciation by making this drive for equipment a success.

I assure you both of my indorsement of the movement and my own co-operation.

From J. Weir Elliott.

It is a real pleasure to me to have the opportunity of endorsing the drive for funds to be made this week, to assist Our Saviour's Hospital in furnishing its new addition.

I have, for many years, had an intimate business acquaintance with Our Saviour's Hospital, and the executive ability which the Sisters in charge have shown in conducting the affairs of their institution is far beyond the ordinary.

Most people know that the Sisters of the Holy Cross are giving their life work and caring for humanity without receiving any compensation. This, in itself, would be enough to recommend generous support in the drive. Comparatively few people, however, have any idea of the magnitude of the service given to needy people, for which service the Hospital not only makes no charge, but gives at an actual cash loss.

I am sure that the \$25,000 goal set for the drive will easily be arrived at; and that the Hospital can have the feeling that the citizens of Jacksonville are ready to stand behind it.

From H. M. Capps.

It is clearly evident that Our Saviour's Hospital very properly appeals to our entire citizenship. While it is owned and operated by the Sisters of the Holy Cross their lives are devoted unselfishly to the care of the sick and suffering, and as in all such public hospitals, their doors are open to all the people rich or poor, Jew or Gentile, of any creed or of no creed.

The faith and courage of the Sisters in bringing to completion the most splendid addition to Our Saviour's Hospital, is a challenge to every good citizen to assist them in raising the very modest amount they are seeking in this effort.

This Enlarged Hospital, with the most modern improved facilities for medical and surgical practice and nursing service is surely an outstanding accomplishment, a credit to our city of which we are so proud.

This effort for support should and will have the full co-operation to which it is so justly entitled.

MATRIMONIAL

Gibbons-Allen.

In a simple ceremony performed last evening at six o'clock at the home of Mrs. Carrie Allen, 204 North Church street, her daughter Miss Marinda Allen became the bride of G. B. Gibbons of Champaign. The ceremony was performed by Rev. T. H. Tull of Grace church and the ring ceremony was used. The only persons present at the marriage were the bride's mother and her aunt Mrs. William King. A bridal supper was served and the couple left for Champaign where they will make their home.

Mrs. Gibbons has always made Jacksonville her home and is well known here. She has held a position with the firm of Florida and Company on the east side of the square until recently. As a member of Grace M. E. church she has been active in religious circles in the city and has a large number of friends here.

Mr. Gibbons is a stone contractor in the employ of English brothers of Champaign and he and his bride will reside in that city in the future.

Dr. Evans is editor of the Health Department of the Chicago Tribune. Hear him at the Grand Opera House Thursday evening, May 25th. Admission free.

PROMINENT SCOTT COUNTY FARMER DIES

Death of George B. Lashmet Came Saturday Morning After Long Illness—Woman's Club in Annual May Breakfast—Other News.

Winchester, May 20.—George B. Lashmet passed away Saturday morning at the family home two miles east of town. He had been in poor health for the past year but had been growing worse in recent weeks, and his death was not unexpected.

Mr. Lashmet was one of the well known Scott county residents and was one of the substantial farmers of the community. He was born and reared in the county and spent all of his life there. Mr. Lashmet was a man of quiet disposition, devoted to home and family.

The deceased is survived by his wife and the following sons and daughters: James and Robert and Miss Katherine Lashmet, all residing at home; Mrs. Ivan Hawk Winchester; Mrs. Earl Claywell, living south of town, and James Lashmet of Scott county. He also leaves two sisters, Mrs. George Jones of Murrayville and Mrs. Charles White of Salina, Kansas, and four brothers, Jonas, of Jacksonville, Charles, of Franklin, John, of Winchester, and Edward, of Manchester. Two brothers and two sisters preceded him in death several years since.

The funeral will be held from St. Mark's Catholic church Tuesday morning at nine o'clock and interment will be in the Catholic cemetery.

Club Breakfast.

The annual May Day breakfast of the Woman's Club was held Saturday at the pleasant home of Miss Bertha Miner. Luncheon was served on the beautiful lawn at the Miner home and the scene was indeed a lovely one. The menu was excellent and served with faultless taste. Miss Anne Jackson of Jacksonville was present and made a talk on birds and their songs.

This was the last meeting of the club for the present season, and some plans were talked over for next year's work.

News Notes.

Miss Helen Miner, student at I. W. C. in Jacksonville, is spending Sunday at her home here.

Mr. and Mrs. C. W. Taylor accompanied Miss Anne Jackson to Winchester Saturday afternoon.

George Smith and Richard Hains further left Friday morning for Champaign to visit Dan Smith and also other friends there.

WILL ATTEND REUNION OF FURRY FAMILY AT VIRDEN

A family reunion and birthday observance will be held today at the home of Mr. and Mrs. Herbert H. Cowen in Virden. The occasion is the ninety-fourth birthday anniversary of James H. Furry, and will be celebrated by the gathering together of various members of the family.

Among those who will be in attendance are Mr. and Mrs. Harry Furry and sons of this city; Mrs. John R. Underwood of Brighton, Ill., and Mr. and Mrs. George Sweeney and Miss Elizabeth Furry, all of Fulton, Mo.

Mr. Furry, although so far advanced in years, is in excellent health and retains his mental and physical powers to an unusual degree. He has recently returned from a winter spent in Mississippi.

MATHIS, KAMM & SHIBE SAY: Vacations are coming and of course tennis, golf, etc., will be in order. The appropriate shoes properly fitted will add materially to your enjoyment of these summer days. Call and see the styles.

HEARD HEAD OF POSTAL DEPARTMENT

Postmaster General Work Spoke
In Springfield Last Night.

Springfield, May 20.—Forty-two Illinois Postmasters and Postmaster Robert H. Byron of Indianapolis gathered here tonight to hear the address by Postmaster General Hubert Work. The Postmaster General delivered an address before the Mid-Day Luncheon Club on the "Postal Service" tonight.

Brief addresses also were made by Harry P. Simpson of Rock Island, president of the Illinois Association of Postmasters, and Thomas J. Drury of Chicago, representing the National Federation of Postoffice Clerks.

Among the Illinois postmasters who took part in the reception of the Postmaster General were: Bolton of Joliet, Colburn of Peoria, Pries of Alton, Harley of Aurora, Hill of Decatur, Lunnis of Quincy, Pierski of LaSalle, Snively of Canton, Tilton of Danville, and Reed of Taylorville.

CLUBS AND SOCIETY

Children's Party
Given Saturday.

Mrs. C. E. Rexroat of West College avenue gave a party Saturday afternoon in honor of the fifth birthday of her daughter, Mary Elizabeth Rexroat. The company met at the Rexroat home early in the afternoon and was taken to Nichols park where several hours were spent in a pleasant manner at the playground. They then returned to home where refreshments were served. Those present were: Dorothy and Catherine Scott, Daphne Weaver, Mary Mullenix, Margaret Caldwell, Marion and Catherine Filson, Edith and Margaret Elliott and Marion Wright.

Entertained at
Fishing Party.

Mrs. A. A. Curry and Mrs. Charles Wood entertained at a fishing party Saturday in honor of Mrs. Iven Wood, who has returned from California where she spent the winter with her son, A. L. Wood, at Indio. The party was held in the Pisgah woods and 78 fish and three frogs were caught and fried on the grounds, an excellent picnic dinner was enjoyed.

Those in the party were: H. L. Wood and family; Miss Grace Gibson, Leonard Wood and family; George Hardwick and family, A. E. Curry and family; Charles Wood and daughter; Mr. and Mrs. A. A. Curry. The family will be entertained today at the home of Mr. and Mrs. Homer Wood.

FRANK MATHEWS IS NEW FISH WARDEN

Recommended By F. L. Sharpe at
Springfield — More Fish for
Distribution.

F. L. Sharpe, president of the Jacksonville branch of the Illinois Sportsmen's Association, announced yesterday the appointment of Frank S. Mathews, as a deputy game and fish warden for duty in the vicinity of Mauvaisterre and Morgan lakes.

Jacksonville sportsmen will doubtless be glad to learn of this action, as Mr. Mathews is well qualified for the position to which he has been appointed. One of the most important duties of the new game and fish warden will be to get the fish out of the low places, where they were carried by the high waters, back to the lakes, before they are caught by ambitious fishermen, or killed by the drought. Mr. Sharpe reports that he has secured the promise from the game and fish department of a car load of "Junior" fish which will be put into Lake Mauvaisterre. There will be a variety of fish in the lot.

COLLEGE STUDENTS INSPECT HOUSE

Saturday afternoon a number of students from the Illinois Women's College visited the new home built by C. O. Bayha on Mauvaisterre street. The structure the small is novel in many ways. It is the only house in Morgan county, the exterior of which is made of textile. This material is not subject to wear from the elements, and provides a dead air space in the wall of the building, which is an asset. It is considered a cheaper and better material for construction than wood. Another feature of the textile is the fact that no lath is required in plastering the rooms inside, the plaster being put on the bare surface of the textile. The students who viewed the home will be required to supply lists of furnishings for same as part of their work.

HISTORIC PICTURES

C. P. Henderson of Litchberry has left at the office a number of photographs taken of the ruins after the terrible cyclone of May 18, 1883. They show the ruins of dwellings and many ghastly features of the results of that dreadful visitation. The pictures will be at the Journal office a few days and will be shown any one desiring to see them.

MAN WHO DISCOVERED YELLOWSTONE PARK THOUGHT TO BE LOCO

**Jim Bridger When He Told His Friends About
the Boiling Springs and Spouting Geysers
Was Thought to be Crazy or the Biggest
Liar West of St. Joe—Proved to Be True**

(By The Associated Press)
ASHTON, Idaho, May 20.—Back in the "fifties" when there was not even a trail between here and Salt Lake City a man arrived at a spot not far from this place, slipped off his horse and looked around. He saw boiling hot water shooting up out of the earth. When he got back to the other side of the Reton range and told the folks about it he established for his lifetime at any rate a reputation of being "the biggest liar west of St. Joe."

The man was Jim Bridger and he had discovered Yellowstone Park. Few believed his tales of sky mounting smokes and egg boiling geysers. "Loco" was the term applied to Jim. That was long ago. Yellowstone will in June celebrate its semi-centennial as a national park for on May 1, 1872 congress passed the bill creating it. The opening day is June 18. Last year 81,651 people "made" the park. Officials hope to see the 100,000 mark reached this season.

In 1869 Bridger's stories had resulted in C. W. Cook and David Folsom making the trip. They saw all that Bridger had seen and more. They were followed by the Washburn expedition. These army men got the idea of a national park. In this party were Gen. H. D. Washburn, Lieut. G. C. Doane and several civilians.

"The sky over the Yellowstone National Park is not shell pink," says a monograph of the American Forestry Association, "the trees are not blue, the waters of the great lake in no wise resemble red ink and the geysers do not spout streams of molten metal as some have been led to believe. It is possible to traverse the woodland trails and pass many trees without seeing a grizzly bear. The buffaloes and antelopes do not crowd the tourists and stages from the highways. It is quite possible to spend a week

RED ARMY CONTROLS CAUCASUS REPUBLIC

**Women Used to Spy on Citizens
—When They Express Dislike
of Soviet Face Firing Squad.**

BATUM, Armenia. — (By The Associated Press.) — The unrest which followed the annexation of Georgia, Azerbaijan and Armenia to Russia has subsided and the Red army of Soviet Russia has the situation well at hand. The principal event of importance in Batum, at the moment, is the mobilization of all the male population between the ages of 16 and 21 without distinction of race or religion.

The Cheka (Chereshchanka) has not been suppressed at Batum. On the contrary, its activities have increased. There is a vast espionage organization in the town.

Especially notorious are all the women members, nearly all of whom are of good family speaking French and English. They are all demi-mondaines and their methods are to dress well and spend money with both hands. The espionage institutions pay them extremely well and they have orders to scrape acquaintance with all kinds of persons whose sympathy with Bolshevism is doubted, to whom they pose as innocent victims of the Bolshevik regime. The conversations turn on politics, the victim expresses his dislike of the Soviets and their methods, arrest follows the next day and, if the unfortunate individual is a Russian or Georgian he is promptly shot—if a foreigner he is sent to Moscow for trial.

The army in the Caucasus area is almost entirely composed of Russians. The armies of the Caucasus democracies have all been disbanded and their officers exiled to Russia for a training in the Soviet military schools. Petes and parades are organized frequently in order to keep up the morale of the army and the population. Ranks are suppressed. Officers are known as regimental or company commanders.

Commerce is free, but there is lack of foreign currencies and therefore trade is almost at a standstill. Exports are limited to carpets, furs, kerosene and manganese. Imports consist solely of flour and sugar. The export of manganese from Poti is in the hands of an institution called the "Chemex" which is managed by a Dutch company from The Hague. There are stocks of manganese which existed before the war but when these are exhausted export will cease. The production of oil, is in the hands of a committee called the "Neftecom" the president of which is Gamaroff. The export of kerosene is in the hands of the "Vneshtorg" which sells oil against goods.

Altho travelling is free, it is extremely difficult for the public to obtain seats as two thirds of the available accommodations on the trains are exposed to attacks of brigands who rob the passengers of all they possess.

GASOLINE WAR IN FRANCE ENDS

PARIS.—The war of the war of the pump and can which has been sending the price of gasoline down sharply during the past three months has ended in a treaty of peace between the rivals.

The familiar red pump labeled "filtered gasoline" which is introduced into the Paris region a few months ago by an American concern and spread rapidly, so rapidly that the big local refiners who have large sums locked up in cans grew alarmed and began cutting prices against the pump.

The pump interests responded and between them the price of the gallon dropped by stages from \$1.50 to 75 cents. The belligerents then found the war unprofitable, came to an arrangement and raised the price by 15 cents a gallon, at which advance is remains fixed.

"Business Men Should Cheer Up" Says Babson

"Talk about musicians and actors being temperamental. They cannot beat the average business man who is up today and down tomorrow. Within a period of sixty days he will be a pessimist, an optimist, and back again to a pessimist, when all the time nature is slowly but surely following its natural course," said Roger W. Babson in his weekly interview on business conditions.

"A year ago business men were very pessimistic; then came a temporary upturn in business and following the lead of certain Federal officials and prosperity boomers they became optimistic. Since, however, these prosperity forecasts have not matured, they are again down in the dumps. How long will it take us to learn that President Coolidge is a business man and not a politician?"

At the recent fur auctions, Silver Fur was 25 per cent lower than in February, Martin 40 per cent lower, and other furs are falling in proportion. Better still, the cost of living as a whole is still on the decline. A man can purchase for 75 cents today what cost him a dollar a year ago. Retail sales are holding up very well the mail order houses are showing increases, western shoe manufacturers are busy, and furniture factories are working on a liberal schedule. Even coal production is holding up fairly well.

"All of this means that there is no reason why the banker, manufacturer, or merchant should be a pessimist or an optimist today. Neither the prosperity boomers nor the calamity howlers should be followed. Business has not yet turned the corner, but it is naturally and steadily turning the corner. No nation could go through the great industrial development which this country experienced during the war without a natural reaction. This reaction we are passing thru today. We have already reached the end of the decline in the security markets. These markets are well on their way upward. Within a few months, concluded Mr. Babson "we should reach the end of the decline in general business. Honesty, thrift, industry, and the spirit of service will hasten the day."

The trend of general conditions as reflected in the index of the Babsonchart shows an improvement of 2 per cent during the last week. General business now stands at 13 per cent below normal.

AMERICAN MEDICAL MEETING TO OPEN

Sessions will Be Held in St. Louis Beginning Tomorrow.

ST. LOUIS.—Discussion of the workingman's diet, of under-nourishment in industry, of scientific investigation of diseases, their causes and preventatives, is to feature the annual convention of the American Medical Association to open here Monday and continue through May 26.

Nearly 10,000 doctors, including many nationally and internationally known physicians, are expected to attend the convention. Conventions of other medical associations, including the Radiological Society of North America, the American Protogologic Society, the American Association of Industrial Physicians, the Medical Women's National Association and the Medical and Surgical Section of the American Railway Association, will be held in conjunction with the meeting of the American Medical Association.

Illustration of feats of surgery also is on the program and exhibits of many medicines will be shown during the convention.

The program for the industrial medical convention includes addresses by Dr. G. W. Crite of Cleveland, on scientific medicine and surgery; Dr. Allen J. McLaughlin, president of the American Public Health Association, Washington, on the value of the public health; Dr. John R. Murlin of the University of Rochester, N. Y., on the workingman's diet; Dr. R. Tunstall Taylor of Johns Hopkins University, Baltimore; Dr. Elsworth Huntington, Yale University and William Hall Bunn Youngstown, Ohio, on under-nourishment in industry.

Because of the American Medical Association is handled by a House of Delegates, which is composed of representatives of the states and territories. There are about 150 such delegates.

NIGHT LIFE IS RIOT IN CITY OF MOSCOW

People Squander Money In Cabarets—Two Million, Five Hundred Rubles Is Equivalent of One Dollar.

Moscow.—(By The Associated Press.)—Moscow's new capitalists are indulging in an orgy of spending that has enlivened the city's night life until restaurant and cabaret scenes resemble the palmiest days before the war when Muscovite merchants spent money freely. The millions of rubles netted by a day's trade or speculation are squandered at night, because tomorrow the money will buy less as prices for everything are climbing daily.

When the ruble was quoted recently at nearly 2,500,000 to the dollar, prices for foodstuffs and other commodities were four to five times as high as a month previous when the ruble was worth nearly twice as much.

The ruble equivalent of a dollar has purchasing powers that are fantastic when compared with American standards but which accurately typify the real value of essentials as compared to knick-knacks and superficial adornments.

A dollar will buy only 20 pounds of black bread, two pounds of butter, four pounds of meat, even less in the line of new wearing apparel. But it will buy a bit of antique jewelry, or porcelain that would bring 10 times as much in America. The necessary things have leaped so high in price that the people sacrifice the essentials cheaply to get them.

The rising prices and decreasing value of currency have sharpened the contrast in the life of Moscow's inhabitants. Thousands are unable to buy even bread, while hundreds pay the ruble equivalent of \$5 for a dinner at the brilliant night restaurants.

Imported fat powder at the cost of \$5 a box, finds buyers, while a pound of potatoes, costing less than two cents American money, may go beyond the pocketbook of the next person to pass the market which sells both of them.

A month ago foreigners living in Moscow found life cheap when calculated in American or English currency. The soaring prices, however, have changed all this and on a comparative scale the cost of living is higher now in Moscow than in Berlin and New York. It is not the foreigner, but the Russian speculator who buys the champagne.

CRIMINAL TRIAL ENDS IN ACQUITTAL

MEXICO CITY.—One of the most sensational criminal trials in the history of Mexico's courts has ended with the acquittal of Magdalena Jurado, charged with the murder of Charles Felix Diaz, formerly in the Mexican diplomatic service.

Diaz was taken in as a kitchen helper by Senorita Jurado when she was conducting a Mexico City boarding house and, through her energy and influence, eventually was given a minor government position and was later attached to the diplomatic corps in various South and Central American republics.

With his elevation in the social world, Diaz is said to have scorned Senorita Jurado who in a fit of rage upbraided him. In the quarrel Diaz was killed and Senorita Jurado was in prison for almost two years awaiting trial. Her memories have been published in a local newspaper.

M. J. Avery, principal of the high school at Hillsboro, Illinois, was in the city yesterday on business.

REPRESENTATION OF EMPLOYEES AIDS IN SOLVING PROBLEMS

**Illinois Manufacturers Say That More
Friendly and Workable Relations Between
the Men and Employers is Result—Ap-
parently Stabilizes Industry, it is Said**

(By The Associated Press)
CHICAGO, May 20.—That employees' representation plans are useful "in establishing friendly and workable relations between employers and employees of Illinois industrial establishments," is the conclusion reached by the Illinois Manufacturers' association "after reading reports from a number of factories which have installed such systems," according to a pamphlet distributed to members of the organization.

Material presented in the booklet was obtained by the manufacturers' association from questionnaires sent to its members, the employees' representation plans of eighteen large Illinois industrial establishments being included.

The publication declares that while the eighteen establishments listed "believe that employee representation plans go far in the solution of industrial difference between men and management," some employers "frankly express the belief that these plans are not effective in reducing the industrial unrest and have a tendency to divide authority in the plants."

"Industry apparently is stabilized," says the statement by the manufacturers' association in elaboration of its conclusion that the plans is a desirable one.

"There is less turnover; there is less difficulty in getting the viewpoint of the management. Instead of occupying opposing camps, the management and employees meet on a common ground and carry out essential principles of cooperation without which no industrial enterprise can continue in successful operation."

"Most of the employee representation constitutions were adopted during the war or in the trying period since the armistice was signed. They have materially aided inevitable readjustments in wage rates. Readjustments of wages has been undertaken only after the matter has been presented exhaustively to the men and the economic necessity of wage reductions have been explained to them thru their personal representatives on the general councils."

"Some of the employee representation constitutions are elaborate, notably those of meat packing plants, public service corporations and large agricultural implements concerns."

"In general, they provide for a representative body to be composed equally of employees and management, which is authorized to take up such questions as wages, working conditions, sanitation and numerous other items of mutual importance to a factory and its employees. The qualifications for a representative of the employees in most instances include legal age, ability to read and write, and citizenship, apparently the scheme of employee representative works equally well in large and small establishments. If the general councils cannot reach a decision satisfactory to both sides after long deliberation and every other resource has been exhausted, in most cases provision has been made for arbitration of the point at issue."

"In several cases these employee representation plans have prevented strikes. They have established precedents and policies strengthening the employee representation systems and it has been found, as conditions in plants have become established, that

Golden Text:—Thy word is a lamp unto my feet; And light unto my path. Psalm CIX: 105. Under the Study Lamp.

It is an ancient story with modern applications. There are many today to whom the Bible is as perfectly a lost book as it was to Josiah. The public display of the Bible on the sacred desk is to be commended. In sight it is in mind. Yet the Bible is never to be a fetish. It is only God's vehicle. To worship it would be idolatrous. If the book could speak it would cry as the angel did to John "See thou do it not!" Life is more than the "book." In the ultimate analysis it is not so much what a man knows as what he is. Interpretation of the Scripture is the distinct function of the ministry as it was of the prophets in old time. Not however that the ministry has no monopoly of the function. Many unordained persons interpret skillfully. But as general education increased need of specific interpreters decreases. Here is an old time illustration of the principle that Jesus enunciated "He who does shall know!" Josiah was "doing."

It was when he began to repair the temple that he found the "book." The Bible is a potent book. The reading of it brings things to pass. It provokes either revolt or obedience. Josiah sought an interpreter to make its contents plain. On the other hand Jehoiakim reached for a knife to cut it into shreds. The Bible receives the same opposite treatment today. It should not be thought a thing incredible that the Bible should be lost in that distant and crude day. Those who could read it could be counted on one's fingers. The Bible was practically lost again in the middle ages even in those seats of learning—the monasteries. Luther was 20 years old before he saw a Bible.

Present Day Applications.

Edward Everett Hale once said he felt it his duty to insist that young people read Ruskin, until he discovered that Ruskin's ideals had already permeated the thought and literature of the day. In still larger measure the teachings of the Bible have passed into common opinion, so much so that they are daily and unconsciously quoted. But this does not supersede the duty and necessity of reading the Bible. It is the pattern upon which common opinion is to be laid to find whether it is true to form or not. Again, the Bible does not merely hold up an ideal, it inspires to its attainment.

Motto:—

Man in society is like a flow'r

Blown in its native bed. 'Tis there alone

His faculties expanded in full bloom

Shine out, there only only reach their proper use.—Cowper.

What My Society Does For Me.

(Union Meeting with Juniors and Intermediates.)

Society is one of the most subtle forces in the forming of character, and strong as subtle. It has been wisely said we make another man's judgment ours by frequenting his company. Those who have high ideals should keep with those who share them. It is one of the best means of preventing, developing and dealing such ideals.

Daily Readings.

Monday, Crystallizing my Ideals, Hebrews 12: 1-4.

Tuesday, Leads me to Confess Christ 1 John 4: 1-6: 15.

Wednesday, Pledges me to Serve, Psalm 103: 17-22.

Thursday, Trains me in service, Mark 1: 16-20.

Friday, Provides scope for talent, 1 Corinthians 12: 1-13.

Saturday, Enlarges Christian fellowship, Ephesians 3: 14-21.

To Think About.

What specific good has come to you thru your society?

What have you done for your society and what can you still do?

How can we help others thru our society?

TURKISH PRESS

ATTACKS Y. M. C. A.

CONSTANTINOPLE. The Turkish Press is attacking the local Young Men's Christian Association for having permitted a Greek officer to deliver an address on the occasion of the centenary of the Greek independence.

The Tewhid Etklar, newspaper, speaking of the Y. M. C. A. says: "This American institution, the object of which is to drive our youth into the region of protestantism, has also become a center of Greek propaganda."

THANKS

MAN WHO DISCOVERED YELLOWSTONE PARK THOUGHT TO BE LOCO

(Continued from Page Seven) on its way to the sea, hundreds of square miles of great forests and broken, saw-toothed crests, and you have a combination which will inspire even a cowboy. Everything is on a giant scale. Distances are great, canyons are of terrifying depth, mountain peaks raise their lofty crests to inconceivable heights.

"The northern and western entrances are most used. In the early history of the Park, most of the travel came in by the northern entrance, which is but a few miles from Fort Yellowstone, where, at one time, was stationed a very considerable force of cavalry.

"From Yellowstone the road follows the Madison river to its junction with the Firehole river, where it branches. One road follows the Gibbon river to the north while the other follows up the Valley of the Firehole. The road along the Firehole is particularly beautiful, as it clings for miles to the very edge of the river until it reaches what is known as the lower Geyser Basin. In this Basin are the famous Mammoth Paint Pots, which are really nothing but mud geysers, the contents of which look and act like nothing so much as vividly colored mush that is being boiled and tossed by escaping steam.

Old Faithful Geyser.

"Old Faithful Geyser may be seen to spout, with its never interrupted regularity, at intervals of one hour and five minutes. From the veranda may also be seen many of the geysers along the road on the eastern border of the Basin, and the entire surrounding has the appearance of a manufacturing town with the innumerable jets of steam rising from unseen escapes.

"There is no doubt that the Falls of the Yellowstone River in the Canyon are among the finest in the world. At the Upper Falls the entire river passes over a drop of one hundred and nine feet. The Lower Falls is a drop of three hundred and eight feet. The Canyon is approximately one thousand feet deep, and its walls and sloping sides are of the most varied hues imaginable.

"Fort Yellowstone has quite an air of romance surrounding it. It has housed some of the most distinguished soldiers in the army, many of whom received their medals of distinction in the Indian fights in the Northwest. Now, the soldiers like the real cowboys are gone. One of the most interesting natural phenomena in the Park is the Mammoth Hot Springs, which is built of a number of terraces formed by the depositing of salts from solution in the hot water of the springs. The colors of these terraces change from day to day, and offer a never ending source of interest and wonderment to the visitors.

"The Park is the largest of the National system and contains over two million acres. There are hundreds of miles of trails, innumerable lakes, streams and wonderful mountain peaks, together with an infinite variety of natural phenomena, all of which offer sufficient interest to entertain the most exacting for a period of several months.

"That the number of visitors is increasing every year proves Jim Bridger was right."

REPRESENTATION OF EMPLOYEES AIDS IN SOLVING PROBLEMS

(Continued from Page Seven) there is less need for frequent sessions of workmen's councils.

According to the Association, the following Illinois industries have employees' representation: Armour and Company, Addressograph Company, Chicago Bridge and Iron Works, Commonwealth Edison Company, Curtin Supply Company, Edison Electrical Appliance Company, Inc., Elgin National Watch Company, General Electric Company, Hill Pump Valve Company, International Harvester Company, Morava Construction Company, People's Gas Light and Coke Company, Public Service Company of Northern Illinois, Seng Company, Standard Oil Company, Swift and Company, Westinghouse Electric and Manufacturing Company, and Wilson and Company.

SMYRNA FILLED WITH DEEP ANXIETY

SMYRNA.—This town is in effervescence and deep anxiety is noticeable everywhere as a result of the peace proposals of the Allies to return the Smyrna district to the Turks. The news of the armistice proposal was received by the Mohammedan population with great enthusiasm.

The Greek army is awaiting coolly the development of things. The Greek High Commissioner, Mr. Sterghiadis is receiving daily deputations from all parts of Ionia urging him to convey to the Greek government their anxiety over the possible return of Turkish misrule. The Greek Catholic community of the town has sent an appeal to the Pope asking him to take action to save Asia Minor from the menace of the return of the Turks.

Are You an Optimist?

We are all optimists. We lay our plans for this year, the next and so on. We "know" that next year will find us in better circumstances than the present. We are always looking ahead into a rosy-hued future—which few of us will ever see.

A man at 30 has only a 50-50 chance to live to be 65. And out of all who do live to be 65, only one out of about seven will be living on his savings. Every day families are being left destitute because the husband and father merely took it for granted that he would live long enough to amply provide for them.

Life insurance is the ONLY means by which a man in moderate circumstances can protect his family against want in case of his untimely death. You may not "believe" in insurance, or have dozens of reasons for not carrying adequate insurance, but remember, in the end, your family will pay for your belief—not you.

The Rev. C. W. Hammond of Waverly will occupy the pulpit at both the services. This arrangement is a part of the plan for the campaign in the interest of religious education which is being carried on the Illinois and Central Illinois Conferences. No request for money is to be made, but the need for religious education and the demands of the present situation are to be presented. Mr. Hammond is a very fine speaker and looks at things in an original manner. He will bring a message well worth hearing. Plans for the Daily Vacation Bible School are rapidly being completed, and an opportunity to enroll in the school will be given at Sunday school. All children between the ages of 4 and 14 are urged to enroll. The term of the school is June 5-30. The sessions are held five mornings a week from 8:30 to 11:30. Bible stories, memorization of Bible passages, dramatization of the Bible stories, health and habit instruction, missions, and craft work make up the course of study. Parents should see that children are enrolled. The church where the folks are glad to see you invites all who do not attend elsewhere to all of these services.

Trinity Episcopal Church — J. F. Langton, rector; H. M. Andre, senior warden; Prof. J. G. Ames, junior warden. Fifth Sunday after Easter. Early service, 7:30. Sunday School, 9:30. Morning prayer and sermon, 10:45. Evening prayer and sermon, 7:30. Thursday, Ascension Day, Holy Communion, 7:00 and 10:00.

First Baptist Church—Four adult Sunday school classes will conduct the church prayer meetings in June. They will begin to prepare for it on Sunday morning at 9:30 o'clock. By then, Christian Science may be changing but Mrs. Eddy, the founder, held some peculiar views. The pastor, Rev. A. P. Howells, will speak on the subject, "Eddyism," at 10:45 a. m. The quartette will sing a union meeting of the Senior and Intermediate B. Y. P. U. will occur at 6:30 p. m. The subject is, "What B.Y.P.U. Does for Me." Mr. Charles Story is the leader. Camping out days are coming. The Israelites camped out for forty years. They carried a skin meeting house with them, called "The Tabernacle." This will be the subject of the evening sermon, the pastor using a model of this movable structure to illustrate the theme. Read Hebrews 9. "When and How Should Wrong be Rebuked?" will be the subject of the Wednesday night prayer

meeting. The service lasts an hour and begins at 7:30 p. m.

Brooklyn M. E. Church — G. W. Randle, pastor. J. H. Reid, S. S. Supt. Sunday School at 9:30 a. m. Public worship at 10:45 a. m. A team of speakers from the Illinois Woman's College in charge of A. C. Metcalf will conduct a service in the interest of the Educational Movement. Epworth League at 6:30 p. m. will be led by Kathryn Randle; subject, "Growing a Character, the Harvest."

The evening preaching service will be dismissed to attend the baccalaureate services of the High School at the Christian Church. Prayer meeting, Wednesday evening, 7:30 o'clock.

State Street Presbyterian church—Rev. W. H. Marbach, pastor; T. M. Tomlinson, Sunday school superintendent; Mrs. Barr Brown, choir leader; Mrs. H. Ayers Ballard, organist. "God First." If it be true that God exists and is the Being we believe Him to be, then the first four words of the Bible ought to apply to our lives, Sunday, and every day: "In the beginning, God." Give Him first place on the first day of the week, by worshipping Him. The services of this church are at your disposal, with a hearty welcome to all. The pastor will preach morning and evening. Sunday school at 9:30 a. m. with classes for all. Morning worship at 10:45 o'clock. Evening service at 7:30 o'clock. Y. P. S. C. E. at 6:30. Welcome.

Central Christian church—Myron L. Pontius, minister. Bible school at 9:30 a. m. B. O. Roodhouse, superintendent. Morning worship at 10:45. Sermon subject: "Making the Right Choice." The Illinois West Central District Conference will be held in this church at 2:30 p. m. Delegates are expected from many of the churches in this district. C. E. services at 6:30 p. m. Dorothy Green will lead the Senior, Albert McCarty the Intermediate and Thales Ray the Junior service. The High School Baccalaureate service will be held in this church at 7:30 p. m. Sermon by Mr. Pontius on the theme, "The Divine Challenge to the Class of 1922." Special music by the quartet of the Central Christian church. Mrs. C. E. Robinson, Mrs. Abram Wehl, Leonard Fraser and Uriel Gouveia, Miss Alice Mathis at the organ. The public is invited.

Paige Adds 6 Miles Per Hour To Its Own World's Record

25 Miles at 96⁹⁸/₁₀₀ Miles Per Hour

Just one year ago—on May 18th, 1921—the Paige Daytona Model 6-66 astounded all motordom by breaking every world's stock chassis speedway record from five to 100 miles.

These are the most highly prized records in the automobile world for they are final and convincing proof, not only of power and speed, but the more heroic qualities, brute strength and endurance.

Now, since no one else has challenged—Paige has bettered its own mark.

Directed by Earl Cooper, in a dash against time, the Paige

6-66 Daytona Model covered 25 miles in 15 minutes 27.95 seconds on the Cottati, California Speedway, May 7th—a new world's stock chassis record.

The old mark, held by the Paige, was at an average of 96.1 miles an hour. The trial was officially sanctioned by the A. A. A., was timed by its officials and the chassis checked as strictly stock.

In view of these official and recorded facts the title, Master of the Highway, honestly won a year ago, remains unshaken.

ILLINOIS COLLEGE NOTES

At the chapel exercises Friday morning the senior society of Osage held very impressive services. The five juniors were chosen as the new members of the society. The Osage society was organized at Illinois College two years ago. The society chooses its members from the junior class and those who are chosen must meet certain scholastic standards, as well as being all-round college men. The following men were chosen: Bernard Frazer of Shelbyville, Harry Howard of Jacksonville, Eugene Mellon of Barry, Elmer Nickel of Arenzville, and Max Shipley of Winchester. A college man feels very much honored to belong to this society.

At the open meeting of the Cosmopolitan club last Wednesday evening three plays were given, one in Spanish, one in German and the third in French. The audience practically filled the Recital Hall and great interest was shown in the entertainment.

Many inquiries are coming in from students who plan to enter Illinois College next fall regarding the possibility of earning part of their college expenses. Anyone interested in helping these young people find work should call Dean Scott, phone number 206.

Miss Adelle McQuiston, librarian at Illinois College, went to Palmyra during the past week to judge a contest in declamation.

Mrs. Jeannette L. Ogden, head of Academy Hall entertained the girls of the Senior class and several members of the faculty at a very delightful picnic at Nichols park, Wednesday evening.

President Rammelkamp has been attending the conference of the General Assembly of the Presbyterian church at Des Moines, Iowa, during the past week. President Rammelkamp went to the Assembly as a commissioner this year.

Visitors on the campus during the past week were Doris Shuman 20 of Roseland, and Dale Gibson 22 of Limon, Colorado. Mr. Gibson finished his work at the College the first semester. He will receive his degree at commencement on the 14th of June.

The Senior plan to distribute their Senior Annual, the Rig Veda, about the 10th of June. The Annual will contain some very interesting writings and pictures.

The girls' tennis tournament will be held soon. Many girls have signed up and great interest is being shown.

STATE S. S. WORKERS TO CONVENE JUNE 13-15

Large Number of Delegates to Attend State S. S. Convention in Galesburg Next Month—The General Program.

A number of Morgan county people who are interested in Sunday school work have received announcement of the program of the state Sunday school convention which will be held June 13, 14 and 15 at Galesburg. More than 1,000 delegates will be in attendance at this convention and the principal sessions will be held at the Central Congregational church.

The divisional meetings will be held in other churches. A number of the Sunday schools of Jacksonville expect to send delegates to the convention.

The general program will be as follows:

Tuesday Morning, June 13

7:30. Registration Headquarters open.

Session No. 1—General

9:30. Musical period, led by Rev. Earl Harper.

10:00. Greeting and Response.

10:30. Music.

10:40. Address, Dr. Henry F. Cope.

11:15. Report of State Executive Committee.

11:35. Appointment of Nominating Committee.

11:45. Announcements.

12:00. Adjourn.

Tuesday Afternoon, June 13

Session No. 2—Divisional Meetings

1:30. Five Simultaneous Conferences of following Divisions: Children's, Young People's, Adult, Administration.

4:30. Conferences adjourn.

5:45. Social meeting of county district, or township and state officers and their friends.

6:00. Associational Officers' Supper.

EDGAR COUNTY

COMPLETES TESTS

Paris, Ill.—First among all the counties in United States to complete a tuberculosis test of all its cattle, Edgar county has planned a celebration to be held in this city, May 16, to which farmers of this and nearby counties have been invited.

Farmers of Edgar county, according to the farm bureaus, are proud of their record. Thru active cooperation with the United States government, more than 2,000 herds of from one to fifty cattle each, have been tested. It is the first county in the United States to test 100 per cent of its herds.

MISS ADAMS IN

EXPRESSION PECTAL

A most attractive program was given at Illinois Woman's College last evening when Miss Mary Rose Adams appeared in her graduating recital. Miss Adams is a senior in the Department of Expression and her interpretation of "The Maker of Dreams," was most lovely and showed her to be a reader of real ability and possessed of true dramatic instinct. Miss Adams was assisted on the program by Miss LeNore Kriege, mezzo contralto, who is a pupil of Miss Louise Miller. The following program was given:

Twilight Sara Teasdale
Charity Richard Hagenman
Velt Darkness William Reddick

JACKSONVILLE SAVINGS and LOAN ASSOCIATION

Capital Stock \$1,000,000.00

J. O. Applebee, Secretary

Farrell Building

TO OUR FRIENDS:

The directors of the Jacksonville Savings and Loan Association wish to offer to every citizen of Jacksonville an opportunity to become a member of an organization which has for its purpose, "The Establishment of the American Home."

Jacksonville needs one hundred new homes. The financing of these homes and many more is possible through a live Building and Loan Association. To accomplish this we must have more members who are willing to help themselves while helping others. Every family in Jacksonville should be represented. No child is too young or adult too old to become a member and start the habit of systematic saving.

THREE CLASSES OF SHARES ARE ISSUED

CLASS A—Monthly payment of 50c maturing in approximately 11 years.

CLASS B—Monthly payment of \$1.00 maturing in approximately 6 years.

CLASS C—One payment of \$50.00 maturing in approximately 8 years. Maturity value \$100.00.

In the past 5 years the association has paid over 4% semi-annually on small monthly deposits. Your money is loaned to members of the association who in turn pay the material concerns, contractors, tradesmen and mechanics engaged in the erection of homes.

Your money is thus making you money while these various individuals are in turn spending it with our home merchants and eventually it is deposited in our home banks to be again used as the depositors deem best.

The association has arranged with each bank to receive payments from such members as prefer to pay at their bank. Any person may leave application for shares with his bank and the secretary will deliver the certificate in the order received.

It will be a pleasure to explain more fully the Savings and Loan plan.

Cordially yours,

J. R. Harker, President

WOMAN'S COLLEGE NOTES

Miss Edith Weber, who graduated in the Class of 1904, is a guest at the college over the week-end. Miss Weber after leaving the college studied in Chicago and then secured her Bachelor of Science degree from Teachers' College, Columbia University. Since 1918 she has been in

Government work and lately has been sent to Chanute Field at Hantoul, Ill. Miss Weber's home is at Glenarm, Ill.

President Barker attended a meeting of the business committee of the Bi-Conference Campaign last Wednesday. This meeting was held at Peoria, and plans were discussed in regard to the publicity work which each conference institution is expected to do.

Senator and Mrs. James E. MacMurray returned to their home in Chicago last Wednesday after attending the May Day on Monday. They were accompanied by Miss Frances Smith, who will enter the college in September of '24.

A. McArthur of Chicago gave a most interesting lecture on James Whitcomb Riley in the Social Room Friday evening. Mr. McArthur told of his personal experiences with the Hoosier poet and read a number of his less known poems.

S. W. Nichols gave a patriotic talk to the students on Tuesday morning at the chapel hour. He is always a welcome visitor and his remarks were quite timely and most enjoyable.

Mrs. Ruth Barker Hunt returned to her home in Quincy after a visit of several days at the college.

The May Day pageant held Monday afternoon was a complete success in every way. The weather was perfect and the various parts of the program were carried out without any mistakes or delays. Too much credit cannot be given the young women in charge of the Physical Education Department. The play was written by John Kearns.

Extensive plans are being made for the Alumnae reunion this year. It will be the first step of the carrying out of a most artistic as well as suggestive idea known as "Candle Lighting Time", and certain days throughout the United States graduates of the college will have yellow and blue candles and at the same hour they will all be lighted and the reunions from simple to elaborate will be duly celebrated.

Active rehearsals are being carried on for the play, "The Promander Walk", which will be given Saturday evening, May 27th, on the campus. The stage and settings are so arranged that in case of rain the play can be given indoors just as well as on the campus. Those who were fortunate enough to see "Prunella" last year, and its beauty, will be especially interested in the performance to be given this year.

COLLEGE OF MUSIC NOTES

Miss Suzanne Rinehart gave a very successful demonstration of the work done by her violin class at the Waverly High school at Waverly last week. She has been re-engaged by the school board for next year.

It will be of interest to the many people who were charmed by the violin playing of little Margaret Morris, who appeared in recital under the auspices of the Children's Department this year, to learn that she has just recently won the first place in the piano contest held at the American Conservatory in Chicago and will play the Saint-Saens' G. Minor Concerto for Piano at their commencement exercises held at the Auditorium with the Chicago Symphony orchestra in June.

Ravonne Hawk, voice pupil of Suzanne Rinehart, won a silver medal at the Interscholastic Music contest held at the Conservatory last week.

The contest for practicing which has been carried on in the Children's Department during the past semester closed May 1st. The pupils were divided into two classes, the first class to comprise all students up to the sixth grade; the second class Junior High school and High school students. To the winner in each class an appropriately designed pin was awarded by Director Pearson last Friday at the children's recital. Ophelia Birdsell was the winner of the first class, having practiced the total of 108 hours and 10 minutes in the twelve weeks. Frances Kaule won in the second class with a record of 112 hours. Other pupils of the first class holding good records are:

Dorothy Wharton, 84 hours, 5 minutes.

Barbara Kennedy, 80 hours, 5 minutes.

Wilma Range, 79 hours.

Catherine Goebel, 70 hours, 30 minutes.

Roy Vollrath, 69 hours, 40 minutes.

Marion Cocking, 67 hours, 26 minutes.

Dorothy B. Graham, 62 hours, 10 minutes.

In the second class the following held unusually good records:

Anna Bonansinga, 84 hours.

Gertrude Tompkins, 80 hours.

Frances Phipps, 77 hours.

The Artist's course for next year has been contracted for and Director Pearson announces four very attractive numbers—a return engagement of Dumesnil, the famous French pianist, who scored such a success here last year; a joint recital by a soprano and harpist; a joint recital by a violinist and tenor; and a recital by a baritone. The artist will be announced later.

The following students' informal recital was given at Music hall Thursday afternoon, May 18:

1. Piano—First Movement Sonata, Op. 14 No. 2. Beethoven

Magdalene Burmeister.

2. Piano—Arabesque. MacDowell

CONSERVATORY NOTES

The Spring Festival concert will be given in the High school auditorium on Wednesday evening, May 31st, at 8:30 o'clock. The program will be made up of numbers by the Illinois College chorus, under Mr. Quast, the Conservatory orchestra, under Mr. Kritch, and the Illinois College Girls' Glee club, under Mr. Quast. The concert will be given under the auspices of the Social Service league, to whose benefit the proceeds will be devoted.

The Graduation Recital will be held in Northminster church on Friday evening, June 2nd, presenting the candidates for teacher's certificate and diploma. The public is cordially invited to attend.

Mr. Kritch and Miss Helene Sorrells played some violin duets, accompanied by Miss Inez Pires, at the High school last Tuesday morning, May 16th.

Miss Ruth Bradley accompanied Mrs. Harber in some vocal solos last Wednesday at the Second ward school.

Willard Rubendall played some cornet solos in Waverly last Wednesday, May 17th.

The concert given by the Illinois College Glee club last Thursday, May 18th, in Recital hall, was an artistic success, calling forth much favorable comment from the audience. A number of the most successful selections will be repeated at the Spring Festival concert May 31st.

Frank Collins, Jr., is giving a dedicatory program on the new organ at Pittsfield on Sunday morning and for the vesper service in the afternoon. Mr. Kritch is playing violin solos at both services.

INTERESTING DISPLAY AT PUBLIC LIBRARY

There is an interesting display in the Children's room at the Public Library of work done by the students of the seventh grade at the Junior high school. The work illustrates Colonial history and consists of three houses which the pupils have constructed out of paper and furnished in the true style of Colonial days. The pioneer schoolhouse with its rough hewn benches, slates, quill pens, stool for the "dunce" and the collection of rods for the enforcement of discipline, is alike true to the bare, unlovely institutions of learning of Colonial days. The other house represents in clever fashion, the home of a wealthy Colonial, with velvet window hangings, woven rugs, family portraits on the wall and a number of miniature ladies and gentlemen in fine clothes. The work is excellently done and will be on exhibition for a number of days. Miss Bertha Mason is the teacher of the seventh grade.

JOHNNIES TAKE PLACE OF BEAU AT STAGE DOORS

LONDON.—Stage door keepers of London theaters say the stage door "beau" is extinct and has been replaced by a species of young man more aptly described by the American term "stage-door Johnny."

The vanished "beau" according to the guardian of one London stage entrance, wore a large silk hat at an acute angle, an elegant cape over his evening clothes and waited, a bouquet in one hand, a be-ribboned box in the other, gold

LIGHT-SIX

Your satisfaction with a car depends upon your satisfaction with its performance, appearance, economy, comfort and price.

These are the vital points. And you must get satisfaction in each one if you are to be satisfied with your car as a whole.

Consider the LIGHT-SIX from this angle.

It is essentially the same car as it was when introduced. It was right before it was offered. And it has made good in the service of thousands and thousands of owners. It is dependable. Its L-head motor is powerful, flexible and free from vibration than any car at anywhere near its price.

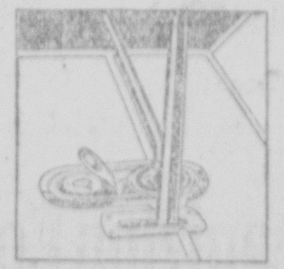

Its graceful lines are enhanced by a lasting finish. Cowl parking lights and the cowl ventilator not only add to its good looks but are necessary for complete satisfaction.

The LIGHT-SIX stands up in service with a minimum of repair expense. This, with low fuel consumption, means satisfactory economy.

We never heard of a LIGHT-SIX that was not comfortable to ride in.

And the price, \$1045 f. o. b. factory, is out of proportion to its value. This price includes the theft-proof transmission lock which reduces the rate of theft insurance to the owner 15 to 20 per cent; large plate glass window in one-piece rear curtain, inside and outside door handles and other refinements.

And you get the priceless ingredient—prestige and high standing of the maker—who for 70 years has been building quality vehicles and selling them at fair prices.

This theft-proof transmission lock reduces rate of insurance to LIGHT-SIX owners 15 to 20%.

Touring, \$1045; 3-Passenger Roadster, \$1045; Coupe-Roadster, \$1375; Sedan, \$1750. All prices f. o. b. factory.

YANKS and LEGIONAIRES

Forceful Facts Concerning the Interests of Former Soldiers, Sailors and Marines.

Gas. It is said is the most humane war weapon yet devised. During the Civil war, President Lincoln made nine calls for troops. The cost of scrapping the United States navy is estimated at \$70,000,000. Infantrymen in the United States army carry nearly 80 pounds of equipment. The Croix de Guerre, the famous French military decoration is bestowed upon civilians as well as soldiers. The Royal Scots, or First Foot, is the oldest regiment in British army, with the Coldstream Guards ranking second. Representatives of the American Legion are found in no fewer than 50,000 cities, towns and villages in the United States. According to estimates, 14,448,000 battle deaths have occurred in all the wars of the world waged between 1790 and 1918. The fourth national convention of the American Legion will be held in New Orleans, La., during the week of October 16. Canada has 33 officers and 540 men serving on the ships of the navy. Civil employees of the naval department number 278. The war debt in gold francs, owed by France to the United States, amounts to 13,750,000,000; and to Great Britain, 12,500,000,000. The army of the United States as defined in the new law, comprises the Regular Army, the National Guard, and organized reserves. Iowa, with 386 units, leads all other States in membership in the American Legion Auxiliary. New York State is second with 305, and Minnesota third, with 297. According to records, 200,000 persons, in Paris have paid admission to see the panoramic painting of the Allies in action in the World War, known as the "Pantheon de la Guerre." Each American Legion post in Philadelphia is considering the adoption of one troop of Boy Scouts, a plan advanced by Handford MacNider, National Commander of the organization. Sixteen percent of the men of France called in the colors in the last year could do little more than sign their own names. Six percent of the conscripts were found totally illiterate. The War Department in one year shows a savings amounting to \$40,023,339.96. Economies have been effected in practically every department of the army through businesslike methods. A Porcelain plate with an inscription taken from a German soldier's grave and brought to Philadelphia, Pa., before the armistice was recently recovered by the police and sent to the German Affairs in Washington. The Manufacturers' Association of New Jersey has adopted a resolution opposing a soldiers' cash bonus, but favoring compensation to men wounded in the World War, their dependents, and the dependents of the nation's dead. Because protests have been made by the Allies and by Germany against the withdrawal of the American forces in Germany, orders have been issued to delay the return of all the troops. There are now about 1500 United soldiers on the Rhine. The House of Representatives the \$17,000,000 soldier hospital bill, making immediately available \$12,000,000 for beginning construction of institutions in 12 of the Veterans Bureau districts. Total capacity of these hospitals will be 545 beds. A tablet to the honor of Capt. Guynemer, the French flying ace, was recently unveiled in the Pantheon, in Paris. He is credited with having brought down, during the World War, 53 German airplanes inside of the enemy lines. Guynemer met death at the hands of the Germans near Poelcapelle in September. Joseph Jacobson, a former service man of the United States army, since falling in an army airplane at Tours, France, in May 1918, has been in ten hospitals, four since the first of this year. Seven Jacobson brothers served in the World War and were contenders for the championship for the largest number of a single family in the service.

FARM RESIDENTS TO TAKE PART IN PAGEANT

More than one thousand farm residents from thirteen Illinois counties have been selected as actors in the pageant of "Forward, Farm Bureau," which will be a feature of the Farm Bureau Decennial Celebration to be held in DeKalb on June 30. Miss Nina Lamkin, the pageant director, plans a cast of fifteen hundred. The site selected for the celebration is on the grounds of the State Normal School at DeKalb and is large enough, it has been announced to accommodate an attendance of fifteen thousand people. The ninety-five county farm bureau of Illinois, the Illinois Agricultural Association, the College of Agriculture of the University of Illinois and the American Farm Bureau Federation are interested in the celebration. Miss Lucile Smith is spending the week end in Pittsfield visiting at the home of her brother, Dr. Glen Smith.

In Jacksonville Only

I Was a Stranger and Ye Took Me In

An old familiar hymn is, "No Room in the Inn." In Jacksonville's case a few years ago it was "no room in the Hospitals." Now with this splendid new addition to Our Saviour's Hospital we will have room for suffering humanity of Jacksonville and miles of surrounding territory. A Hospital is a community asset, and while I knew very little until recently about Our Saviour's Hospital or the Sisters of the Holy Cross, their accomplishment in saving during the last twenty-six years, \$27,000.00 over operating expenses and with that as a nucleus, erecting a building costing \$250,000.00, sounds like some fairy story, but in reality is a fact, and now that they are asking Jacksonville for \$25,000.00 for equipment, that is a very small sum indeed and should be subscribed promptly before the week is out. It is should appeal to everyone in the city because we never know when our loved ones or ourselves will need Hospital attention, and lack of it may mean death. I personally know of a case, a young mother whose husband has been out of work a large part of the time for the past two years and she has been sick, gradually declining, and they had spent their all trying to cure her and finally, in desperation, her old mother inquired of the physician where they could secure a loan on the old mother's home to send the daughter to the Hospital. The physician, a great big hearted man, told her not to think of such a thing as she could never expect to pay the mortgage off and consequently would lose her home but that he would see what could be done. He came to Jacksonville and inquired at the Hospital, and of a noted surgeon in Jacksonville, and explained the situation that there was no money, and was told to bring her on. This was done and by a skillful surgical operation her life was saved, and this last week she went home about the happiest woman imaginable. The physician said there was no question about it—that she would have died. The Church in her own community raised money to keep her two little children and her mother while she was away at the Hospital. This appeals to me as a real community asset when a stranger can come and have the most skillful surgical operation and the best Hospital help without money, when it is absolutely impossible to pay for it. This is only one case that I happen to know and that is one reason why I am so highly in favor of putting this campaign over and do it promptly. (signed) W. E. SULLIVAN.

Every person in Jacksonville will wish to share in this great humanitarian work, than which there is none more noble, nor none in which there enters so much of the sacrifice of self for the good of others. Every one must realize the present and rapidly growing need for more facilities for care of the suffering.

The New Addition

Nearly everyone in Jacksonville is familiar with the erection of the new addition to Our Saviours Hospital and many already have visited and inspected the building. This addition has cost to date the huge sum of \$250,000 and will be ready soon to receive patients. But, before this can be done the building must be equipped—the rooms for patients furnished, the operating rooms and other equipment needed for this most modern of hospitals must be supplied. \$25,000 is required for such purpose. MORE FACILITIES NEEDED There is an urgent need for more hospital facilities and no person knowing and realizing just how true is this fact will hesitate for a moment to do his share towards providing a suitable place for the care of the injured, and the suffering sick. At the present time and for several years past the capacity of Our Saviours Hospital was forty beds, and for a long time cots and beds have been placed in the hallways, surrounded by screens, to accommodate those persons most urgently in need of hospital attention. Yet in spite of every endeavor to provide accommodations many each week must be turned away. The new addition to the hospital will provide sixty more beds, thoroughly equipped and modern operating rooms, X-Ray and other laboratories, a beautiful roof garden where is pleasant weather the convalescent may more rapidly regain health and strength. OF HISTORICAL INTEREST The ownership and operation of Our Saviour's Hospital rests with the society of Sisters of the Holy Cross. The original hospital was established by them about twenty-six years ago. At that time a systematic plan of saving was started, having in mind the growing needs of the community. About one year ago it was found that this fund totalled \$27,000., and it was also found that there could be no further delay. So, with the ground on which the new building stands and \$27,000 in cash, the Sisters of the Holy Cross made their plans and negotiated the loan of sufficient funds to erect, all ready to be furnished and occupied, the beautiful and worthy monument dedicated to suffering humanity that stands today a realization of their many hopes, sacrifices, and long patient effort. HEAVY BURDEN UNDERTAKEN The heavy burdens that the Sisters of the Holy Cross have so unselfishly assumed will be readily understood. Also, that the sooner the new building is furnished the sooner they will be able to provide for the demands daily made upon them for the care of the sick, and the sooner will the Sisters commence to realize something toward the reduction of their large obligation. ASKED OF THE PUBLIC Remember, the public of Jacksonville is asked only to aid in the equipping of this new building, not primarily for the benefit of the hospital, although of course the furnishings bought will be in the ownership of the Society, but for humanity's sake.

EVANSTON HIGH WINS UNIVERSITY MEET

TAKES FIRST HONORS IN CLASS A SCHOOLS SCORING 35 POINTS

Johnny Cameron Appears in Hero Role,
Winning Three Firsts—Forest Won Class
B. Honors—Two Records Broken, Simon
Throwing the Javelin 171 Feet and 6 Inches

UREANA, Ill., May 20.—Johnny Cameron, Evanston township high school, won premier honors in the 28th annual interscholastic track meet at the University of Illinois today by capturing the Class A title for the school with five firsts, three of which were contributed by Johnny and a handful of miscellaneous points.

Evanston scored 35 points in the division for larger Illinois high schools and Forest for the second time won the Class B meet with 19½ points. Nearly sixty of the 126 schools entered broke into the point column. Four athletes annexed two gold medals each, Cameron carrying off individual honors, and the Mawanda trophy, by winning the 100 and 220 yard dashes and as anchor man on the relay team pulling a victory out of the fire in the last lap.

In the Class A division, Deerfield, Shields School of Highland Park placed second with 17 points, Marion third, Springfield fourth and Oak Park fifth. Elmwood with 15½ points followed Forest in the second division with Greenfield, Toluca, Wheaton and Monticello trailing and more than a score of schools dividing up the remaining points.

The Evanston team was the class of the meet. Besides Cameron's brilliant performance, Swan captured one of the quarter mile races and Reeves won the first half mile race. In both the quarter and half, two races were contested in each class by the field. Leonard of Forest hurled the high barriers in 16-2-5, won the low hurdles in 26-2-5 and both helped their relay team win a third first, which practically clinched the top place in Class B.

Cameron's dashes were both won from hot competition. In the 220 he beat the fleet Gooden of University High and in the 100 he finished a mere shade ahead of Washington, Englewood negro sprinter and Prep school dash champion of Chicago. Washington had won the fifty in fast time.

Two interscholastic records were shattered, Simon of Canton, hurled the javelin a foot and a half more than the former mark of 165 feet 6 inches, and Wortman, of Shelbyville, pounded the mile in a fifth of a second less than the old record of 4:37-1-5.

Carter of Elmwood, won the shotput and discus throw, his throw in the latter event beating that of Murrel of Springfield in Class A by more than four feet. Dierzoa a pretty sprinter also won two races, the 50 and century dashes, giving his school fourth place in Class B, with 10 points.

WASHINGTON WON FROM CHICAGO

Ferd Schupp Dropped His First Game Since Returning to the Big League—Walter Johnson Issued Eight Bases on Balls But He Stood in the Closing Inning.

WASHINGTON, May 20.—Ferd Schupp, recently purchased from Kansas City by the Chicago Americans, failed in his initial effort at a big league "come back" the White Sox losing today to Washington 4 to 3. Johnson issued eight bases on balls in the first six innings and two of Chicago's runs resulted from these. He stood thereafter.

Browns Win, Ruth Fails to Hit Safely

NEW YORK, May 20.—A capacity crowd came out to see Babe Ruth and Bob Meusel in action for the first time in 1922 and stayed to see New York Americans lose one of the freakiest games in years. The Yankees led 2 to 1 in the 9th inning and Jones retired the first two men up, but before New York could put over the last putout, St. Louis had scored 7 runs and won 8 to 2.

Pinch hitters Shorten and Collins each singled and Tobin grounded to Pipp. Pipp threw to Jones for the play at first and Umpire Chitt called the runner out. When he noticed that Jones

had dropped the throw he reversed the decision, and the game was resumed. Shorten scored the try-

ing run on the play. Gerber singled and Sisler was intentionally walked, but another walk to Williams forced in Collins, Jacobson then hit a home run with the bases full.

Ruth failed to hit safely striking once going out on two pop flies and grounding to Sisler. Ward hit a homer.

EUREKA WINS IN EXCITING FINISH

Visitors Take Illinois Into Camp by Score of 63 to 57—The Relay Was Deciding Race.

In one of the hardest fought and most exciting meets after seen on Illinois field, Eureka defeated Illinois College yesterday afternoon by a score of 63 to 57. The fortunes of battle shifted back and forth during the afternoon and when the relay, the final race on the card was called it proved to be the deciding event.

At this time Eureka was in the lead by four points, the score being, Eureka 58, Illinois 54. The relay would have given Illinois the meet by one point. However, Driver running the anchor for the visitors was able to nose Farrell out in the stretch.

The relay was one of the most exciting events on the card. Illinois' first two runners gave the blue and white a nice lead. However the third man lost it and Farrell got away about on even terms with Driver, the fastest man on the Eureka squad. Driver was able to outstrip Farrell in the stretch. However, Farrell never gave up trying and the victor did not have anything to spare when he breasted the tape.

When the meet started it looked as tho Eureka might run away with it. The visiting sprinters took all the points in the century and second in the shot put. They also grabbed 8 points in the 220 dash. Eureka being especially strong in the field events it looked dark for Illinois.

However, there were some upsets in the calculations of the spectators and probably the contestants also. Mellon captured the shotput while he and Roberts finished one two in the discus. Farrell took the 120 hurdles in easy fashion and could probably have tied or broken the record of 24-1-5 had he had somebody to push him. From this event on it was a nip and tuck affair with Illinois leading at two different times and always within striking distance. Weber ran a pretty race in the 440 while Douglas took the two mile event in easy fashion and it looked as if he could have stepped the distance several seconds faster if he had been pushed.

Carrier, Driver and Blauvelt were the main cogs in the Eureka team while Mellon, Douglas and Hatfield were high scorers for Illinois.

H. M. Buland was referee and starter and got the men off well. The summaries:

100 yards dash—Driver, Eureka, first; Carrier, Eureka, second. Time 12-5.

220 yards dash—Blauvelt, Eureka, first; Douglas, Illinois, second. Time 4:53-5.

Shot put—Mellon, Illinois, first; Kirby, Eureka, second. Distance 39 feet.

220 yards hurdles—Farrell, Illinois, first; Dennis, Eureka, second. Time 16-2-5.

Discus—Mellon, Illinois, first; J. Roberts, Illinois, second. Distance 121 feet 2 inches.

Poa Vault—Hatfield, Illinois, first; Ray, Eureka, second. Height 10 feet 9 inches.

440 yards dash—Weber, first; Conner, Eureka, second. Time 5:33-5.

880 yards run—Blauvelt, Eureka, first; Erskine, Illinois, second. Time 2:07-3-5.

Broad Jump—Carrier, Eureka, first; Cully, Illinois, second. Distance 21 feet 9 inches.

220 yards hurdles—Struck, Illinois, first; Cully, Illinois, second. Time 18-1-5.

Javelin—Whittier, Eureka, first; Kirby, Eureka, second. Distance 153 feet, 2 inches.

High Jump—Hatfield, Illinois; Sutherland, Eureka, tied. Height 5 feet 8 1-2 inches.

Two mile run—Douglas, Illinois, first; Henderson, Eureka, second. Time 11 minutes, 14 seconds.

Reay won by Eureka. Time 3 minutes, 40 seconds.

SCHOOL FOR DEAF DEFEATS DECATUR HIGH

Carlson Too Much for Decatur Batters Whiffing Fourteen of Them—Local Batters Pound Moleander Opportunity.
(By Johnson)
Decatur High school proved to be an easy opponent for the I. S. D. yesterday. The Decatur team has the credit of defeating the Springfield High, which has defeated the local nine twice this season.
The masterful pitching of George Carlson, aided by sensational fielding proved to be the downfall of the Decatur crew.
Carlson was again strong in the pinches, holding the enemy at bay during the whole game. He weakened somewhat in the eighth and ninth, when the Decatur bunch threatened. He was never in great danger however. He retired fourteen batsmen via the strike-out route.

LOTT WON HIGH HONORS IN TENNIS

URBANA, Ill., May 20.—G. M. Lott of University High, Chicago, won high honors in the singles tennis tournament in connection with the annual interscholastic meet at the University of Illinois today. Lott took two straight 6-0 sets in the final from Rosenberger of LaSalle and then clinched the title with the third set at 6-1.
In the doubles, O'Connell and Mullinger of Hyde Park School, Chicago won a forfeited match after taking two easy sets from Quinn and Wertheimer of Englewood, Chicago. Mullinger and Porter of Rockford defaulted in the semi-finals to Paulk and Browning of Benton and took last place.
Quinn, Englewood, won third place in the singles in the toss-off of a tie with Eggman of East St. Louis.

KENTUCKY DRIVERS ARE GETTING READY

Preparing Horses for Campaign on Grand Circuit—Some Excellent Prospects Being Worked.
LEXINGTON, Ky.—Trainers of trotters and pacers at the Kentucky Trotting Horse Breeders' Association track here are busily preparing their charges for the 1922 Grand Circuit trotting season. Some of the animals are looking especially good for so early in the season although few trainers have as yet put their charges to the test of a heat in faster than 2:30.
Two big stables containing animals belonging to a number of owners have been added to the training strings on the local track during the last few days. The most notable animal of the bunch is Guardian Trust, 2:04 1-2, Mrs. H. M. Hanna's three year old Belwin-Honemooon colt.
Guardian Trust is a member of the Pastime Stable of which W. J. Rosemaire is trainer and Mrs. Hanna has in the same stable Bunter, a two year old brown colt, with a record of 2:18 1-2, which is a full brother to Guardian Trust. She also has Miggles, a two-year-old brown filly, by Lee Axworthy-Mae Cassidy, with a record of 2:27 1-2 and Merriment, an untied brown filly by Lee Axworthy-Little Tide.
In the Pastime stable also is Chucky Jack a brown gelding by Belwin-Flora McKerron, owned by Charles Bradley and Ned Hale, a brown colt by Belwin-Honemooon which is the property of P. W. Harvey. Other animals in the stable are Low Smith, 3, 2:23 1-4, b. c., by Lee Axworthy-Queenly McKinney; La Petite, 2:20 1-2, b. m., by Lee Axworthy-Alice Belwin; Livingston, 3, 2:20 1-2 b. c., by Lee Axworthy, Alla Stretta; Leverage, 2:25 1-2 b. c., by Lee Axworthy-Lady Galetta; Maendand, 2:23 b. c., by Lee Axworthy-Ella McKerron; Minute, 3, b. f., by Lee Axworthy Gretchen B.; Mignon, 3 b. f., by Lee Axworthy-Mary two thoroughbreds to the track Isola The Great; Meditation, 2, 2:10 1-2, b. f., by Lee Axworthy Moonrise.

WILL PLAY TENNIS FINALS TODAY

BRUSSELS, May 20.—Mile Suzanne Lenglen, world's woman tennis champion, and Miss Elizabeth Ryan of California will meet tomorrow in the final round of the women's singles of the International Hard Court tournament.
Mile Lenglen, coming from behind in a hard match with Miss McKane of England, in the semi-finals today, defeated her opponent 10-8, 6-2.
Miss Ryan earned the right to play in the finals by defeating Madame Beoram of Belgium, 6-2, 6-0.
Miss Ryan, the only American entered also qualified for the finals of the woman's doubles in which, paired with Mile Lenglen, she will play against Mrs. Beamish and Miss McKane.

DEMPSEY GRABS RATTLER FOR WEST

NEW YORK, May 20.—Full of temperament since his European tour, Jack Dempsey, grabbed a rattler for Los Angeles today up-setting plans Tex Rickard for conferring at which he hoped to close with the champion for a match this fall with Harry Wills, or some other aspirant for the heavyweight crown.
Dempsey still wore the monacle he brought back from England as a "joke" on Jack Kearns and was chuckling over the great marriage hoax he had perpetrated on the big town newspapermen. This was an announcement by his trainer Teddy Haynes, and "verified" by the champion, that he was to be married to an Edith Rockwell of Boulder, Colo.
After the champion's departure his manager, Jack Kearns conferred with Tex Rickard and Frank Flounoy, promoters regarding the proposed championship contests. Assuming that Jesse Willard, the former title holder, and Harry Wills, negro heavyweight, were the most formidable opponents for Dempsey, Kearns and the promoters discussed the possibilities for holding contests with both of them in August or September.

GOLF CHAMPIONSHIP TO HIGHLAND PARK

URBANA, Ill., May 20.—Harold Martin of Deerfield-Shields High School, Highland Park, western junior champion in 1920, won the annual interscholastic golf championship today with a score of 231, 54 holes medal play, by defeating G. Hacke, of Lane Tech, Chicago. Glader, also of Deerfield-Shields took third with a score of 243. Robinson of Englewood, won fourth place with 246.

WISCONSIN EASILY DEFEATED IOWA

MADISON, Wis., May 20.—Wisconsin defeated Iowa today 10 to 1 in a loosely played baseball game. The Badgers reached Frohman and Smith for three bunched hits that brought in their ten tallies, while the Hawkeyes were unable to hit Paddock when his meant runs.
Score:—
Wisconsin 302 002 30*-10 6 2
Iowa 000 001 000-1 4 6

FATHER HAS NEVER SEEN HIS SONS FIGHT

Father of Mike and Tom Gibbons Never Attended Bout in Which They Took Part — Was Afraid Something Would Happen to Them.
ST. PAUL, Minn. — "Fear that 'something might happen' to his boys while he was at the ringside has kept Thomas Richard Gibbons from seeing either of his famous sons, Tommy and Mike, in a glove contest.
The two St. Paul boxers frequently have urged their 55 year old "Dad" to see them in action in a real bout, but he always shakes his head and says: "This fellow looks too tough; I'll wait for your next fight." And when the "next fight" comes his answer is the same.
The senior Gibbons reads every word he finds in the newspapers about the prowess of his boys," and expresses the utmost confidence in their ability.
A few years ago, Tom and Mike "framed" on their father. They got him to witness a private exhibition between the two, and according to pre arrangement, Mike was floored during the fight. Afterward they asked what he thought of the match. He said it worried him a little, but he was glad to see "the younger fellow." Tom, "put it over" on his older brother. But he kept avoiding their regular bouts just the same.
The senior Gibbons enjoys hunting and fishing, and often goes with Mike or Tom on hunting trips in northern Minnesota. He was born in Glasgowsheen, Formakeady, County, Mayo, Ireland, and came to the United States 35 years ago, settling in St. Paul.

INDEES TACKLE TOUGH FOE TODAY

Will Meet Strong Roberts Brothers Team This Afternoon—Visitors Whipped Locals Three Times Last Year.
Baseball fans will see a real battle this afternoon at South Side Park when the Indies face Roberts Brothers of Springfield. The visitors have one of the strongest teams in this section of the state and last year won the championship of the capital city. The team also defeated the Indies three times last year.
The locals are going to try and get revenge today. While the local men have not had much practice this year, this being their second game, if Seymour is right he should make it interesting for the visitors.
"Brick" Maurer, Lascody, Chestnut and several old favorites are with the visiting team. The game will be called at 3 o'clock and if weather conditions are favorable there should be a large crowd out for the game as it takes money to maintain a baseball club.

TY COBB KNOCKING AT DOOR IN AMERICAN

(Continued from First Page)
hits in seven games gave Elach of Sioux City the batting leadership of the Western league with an average of .445. These figures include games of Wednesday. Fisher of St. Joseph is second with .435. Carl East, the Wichita Slagger, dropped from first to fourth place, his average falling to .395.
Davis shot up into lead in slugging out homers, bringing his total up to nine. Washburn of Wichita has seven. Bennett of Tulsa six. Thompson of Tulsa continues to blaze the trail for the base stealers with nine.
Other leading batters for twenty or more games:
Manush, Omaha .422; East, Wichita .395; Middleton, Okla. City .383; Davis, Tulsa .380; Corriden, St. Joseph .372; Metz, Sioux City .364; Long, Denver .359; Washburn, Wichita .358; Bennett, Tulsa .357.
With an average of .471 Schulte of Mobile retains the batting lead of the Southern Association with McMillan of Memphis the runner-up. McMillan's mark is .391. The figures include games of Tuesday.
Barrett of Little Rock connected with a brace of homers, which sent him into a tie with Schulte for honors in home run hitting. They have four apiece. Henry of New Orleans is showing the way to the base stealers with 12, with Niehoff of Mobile second with ten.
Other leading batters for twenty or more games:

KANSAS TO SEND FIVE STAR ATHLETES

Will Take Part in Western Conference Track Meet at Iowa City.
LAWRENCE, Kan. —Five star athletes of the University of Kansas Track team, and possibly more, will compete in the Western Conference Championship meet at Iowa City, June 2 and 3. Whether others will go or not depends upon the showing made in the annual Missouri Valley conference meet to be held in the Kansas University stadium May 26 and 27. A full Kansas team is entered in the Western Conference meet, but since that list was made up the ineligibility has hit Jayhawk camp and crippled prospects for a well balanced team for the outdoor season. In the indoor season Kansas cleaned up every meet in the Missouri Valley.
Everett Bradley K. U. captain and Olympic star, will head the list of Kansas athletes in action in the "Big Ten" meet. He will compete in the high hurdles, the broad jump, the shot put and possibly the javelin. Bradley is perhaps the most valuable athlete in America at present in point of his ability to score for his team. He has been high point man in every meet he has entered this winter and spring, including the Illinois relays. He set a new K. U. broad jump record this season when he leaped the 36 feet, 10 inches in a meet against Haskell Indians. His record for the shot put is 45 feet 1 3-4 inches.
Another Kansas to the big Ten affair will be Paul O'Leary, Missouri Valley quarter mile champion. He set a new K. U. record this season at 50 feet for this event. Rogers will be entered in the pole vault. He is making 12 feet in practice and even higher and took first in this event at the Drake Relays. Kearney, a sophomore who is expected to break the K. U. low hurdle mark this season will also run the high hurdles at Iowa City.

MINNESOTA WINS DUAL TRACK MEET

MINNEAPOLIS, Minn., May 20.—In one of the closest events held on Northrop Field here, Minnesota defeated Wisconsin in a dual track meet today 68 to 57. Not until the last two events were concluded was the winner decided.

ILLINOIS WINS BEFORE A RECORD CROWD

URBANA, Ill., May 20.—Illini defeated Michigan 7 to 3 today clouting twelve hits off Dickson, Schulz, and Laverence and playing airtight ball before a record crowd of 12,000 interscholastic spectators. The only Michigan counters came in the seventh when Michigan filled the bags and sent in Block to bat for Schulz. He cracked a line drive to right center for a double, scoring Captain Vick and Kipke.
Score:
Michigan—000 000 300—3 6 5
Illinois—200 202 10x—7 12 1
Jackson and Daugherty; Dickson and Vick.
Edgar Smith of East St. Louis was a visitor to the city yesterday.

KANSAS COLLEGE WON MID-WEST MEET

NORTHFIELD, Minn., May 20.—After running neck to neck with Carleton College of Northfield, during the first half of the meet, Knox College of Galesburg, Illinois outdistanced the field and won the second annual mid-west conference track meet today with 50 points. Carleton was runner up with 31 1-5.
Beloit College, Beloit, Wis., was third with 18 3-5 points and Coe College, Cedar Rapids, Iowa, was fourth with 18 points. Hamilton of St. Paul had 14, Cornell 15 1-5 points.

KANSAS WINS DUAL MEET FROM MISSOURI

COLUMBIA, Mo., May 20.—The University of Kansas with Captain Everett Bradley starting with 29 points defeated the University of Missouri track team in the annual outdoor dual meet today 65 1-5 to 51 1-5.

JOHN BROWN'S MEMORY HONORED.

All who are intimately acquainted with the history of John Brown will admit that he was a man devoted to principle and desired the freedom of the slave but he took the wrong course just as did the men who fired at Fort Sumpter.

He was a courageous man and believed in doing what he thought was right and his memory still lingers in the minds of many. His body is interred at Lake Placid, New York. The National Association for the advancement of colored people recently held a meeting at Lake Placid and it was a fine success. Speaking of it a member says:

"A thousand white people went out from Saranac to participate

in the exercises. The public schools were closed and a grand holiday enjoyed. At the grave there were in the audience a judge, several lawyers, doctors, teachers and others, and we were welcomed by a distinguished citizen sent by the chamber of commerce.

A letter was read from one of John Brown's sons and Barron Brewster, who was reared in John Brown's family, spoke, and there was present Lyman Epps, the only colored man of the place who knew John Brown and sang in a quartet at his funeral, and sang the same song that night."

FINE PROGRAM GIVEN AT WOODSON CHURCH

Men and Boys of Christian Church Entertain Women and Girls—Other Woodson News Notes.

Woodson, May 20.—The women and girls of the Woodson Christian church were the guests of the men and boys Friday evening at the church. An interesting program was presented during the evening, and ice cream and cake were served by the hosts. The affair was in honor of Mothers' day and was greatly enjoyed by the 125 or more persons present. Among the out of town guests present were B. R. Bishop, Lawrence Cox and Mrs. H. N. Goacher, all of Jacksonville.

The program was as follows: Address of Welcome—Rev. I. H. Fuller.

Response—Mrs. Fuller. Piano duet, "Cherry Blossoms" (Englemann)—Misses Clara Belle Megginson and Maurine Self.

Recitation, "My Mother's Smile"—Frances Kehl. Song, "Advice to the Men and Boys by the Women and Girls."

Recitation, "My Mother's Smile"—Martha Jones. Piano selection, "Prelude" (Schumann)—Miss Clara Belle Megginson.

Reading, "Our Home Town"—Mrs. Bert Spahnower. Piano selection, "Silver Nymph" (Carl Heins)—Miss Aileen Watson.

Reading, "Baby's Soliloquy"—Miss Eloise Self. Vocal trio, "Good Night"—Mrs. Jones, Mrs. B. R. Bishop and Miss Clara Belle Megginson.

Birthday Party.

Merle Fitzsimmons entertained twenty five of his little friends at a party Saturday afternoon at the home of his parents, Mr. and Mrs. W. H. Fitzsimmons, the affair being in honor of his fourth birthday. A handsome birthday cake was baked by the little boy's grandmother, Mrs. S. S. Megginson, and upon it were four birthday candles. Ice cream and cake were served and the hours were very happily spent with games dear to the children's heart. Several of the mothers were present to assist Mrs. Fitzsimmons in entertaining.

Change in Church Hours.

The Bible school at the Christian church will hereafter be held at 9:30 o'clock instead of 10 as formerly. The preaching service will also be held half an hour earlier during the summer months.

SUCCESSFUL POULTRY MAN

James W. Petefish of Arcadia will rank among the few who make a business of poultry on a somewhat large scale and do so profitably.

Mr. Petefish has an old stable in which he keeps his fowls and takes care to give them proper ventilation and freedom from vermin. He has a runway and feeders on the upper floor. He uses corn, wheat and oats and a considerable quantity of Purina chicken food. He also tries to have half an acre of rye sown in the fall and lets the fowls run on that during the winter for green feed.

He prefers White Wyandottes though the breed doesn't make as much difference as intelligent care. He likes the Wyandottes as they are more gentle and suitable for town, as they are not so troublesome to one's neighbors. Plymouth Rocks are harder to control in keep in bounds but are good. He would like Leghorns if he lived in the country.

He uses the incubator entirely and has good results. He rears the chicks with a brooder and the last time placed 193 under it and didn't lose one.

He has no roosters on the place unless he wants to have some eggs for setting and then he will have the males long enough for the purpose and then have them decapitated.

He keeps a careful account of the business and knows how it pays. He kills what he wants for his own use, cutting out the older hens and the unprofitable. During the year 1921 his hens averaged 158 eggs each and he had a hundred of them. He used what he wanted and averaged 30 cents a dozen for what he sold so that the fowls brought him \$4.20 each and the feed cost \$2 each. Not a bad showing and it is a side line with the gentleman who attends to his regular business right along.

SUMMER OUTING FOR GIRLS AND BOYS

Last summer two groups of girls and boys selected by the superintendent of the Social Service League, spent two happy weeks at Rotary Cottage on Meredosia Bay. This was their only opportunity to get away for an outing, and they enjoyed it to the full. The pleasure which they had was not the only benefit received. Abundance of fresh air, exercise in the open, and plenty of good food put coats of tan and pounds of flesh upon their bodies. Nor was this all. Leaders of the groups found opportunity for helpful instruction and uplifting influence. Probably more was accomplished in two weeks for the physical, mental and moral well-being of these girls and boys than could have been done otherwise in a year's time.

Through the generosity of Rotarians and other business men, funds for last year were provided by private subscription. This year the outing committee of the Social Service League have arranged to advertise and sell tickets for the annual Spring Festival Concert in order to secure the proceeds for the outing fund. It is estimated that five dollars per child is needed for a week's outing and the League hopes to obtain enough money to send sixty children.

The reputation of the Illinois College Chorus, Conservatory Orchestra and Illinois College Glee Club is so well established that nothing need be said at this time to urge people to buy tickets. The price has been placed at fifty cents in order that everyone may have an opportunity to hear a program of high order.

Remember the date, May 31; the place, high school auditorium; the hour, 8:30 P. M. Come and get a feast of good music and give a feast of good things to the boys and girls.

CLEANING UP SALE OF TAFFETA SILK DRESSES, 25 PER CENT OFF OF ORIGINAL PRICES AT HERMAN'S

Announcement was made yesterday by C. P. Hedrick that it is now possible to ferry across the river at Meredosia. It has been some weeks since this was possible, and the public will be glad to know that normal conditions have once more returned.

SPECIAL SALE OF BLOUSES THIS WEEK AT HERMAN'S

Mrs. Phoebe Scott and granddaughter Miss Helen Siddles were shopping in town yesterday from Chapin.

HAVE YOU HEARD IT?

March 16th the writer and daughter left Tuscon, Arizona, for Los Angeles, to remain about a month. The writer was in good health at the time, but the cold, damp winds blowing down from the mountains gave him a set back taking away his strength and appetite, the difficulty being intermittent.

Since returning he has gained most wonderfully and is much encouraged, but judge of his surprise when a friend informed him that he had recently had a letter from Los Angeles stating that among the several hundred there and formerly from this city, it was currently reported that the writer was dead and his body had been brought home for interment.

MARGARET BAPTIST WINS PRIZE OF \$5.

During the clean up campaign in Jacksonville the Metropolitan Life Insurance Company offered a prize of \$5 for the best short theme written on a subject which would be selected at the beginning of a language period. Previously several subjects had been assigned along the lines of clean-up work.

From each class above the 4th grade two papers were selected. These were turned in and sent to New York City for grading by the officers of the company. Saturday word was received thru the local agent, T. S. Martin, that the paper written by Margaret Baptist of the first year high school was awarded the prize of \$5. It is a short theme and was written during an English period without aid of any kind.

Why Jacksonville Should Have a Clean Up Campaign.

It is a true saying that a person who has good health is richer than he who has an abundance of silver and gold, but has poor health. There are many obstacles to confront if we desire to have good health and Jacksonville should provide a means by which her citizens could attain good health. A clean up campaign in Jacksonville would help solve the problem. Public places such as business houses, pool rooms,

theaters, and many other places should be kept clean, and expectorating on the floor should be prohibited, for this adds greatly to the increase of disease.

Jacksonville should also have a clean up campaign, to improve upon the appearance of the city. A touch of paint each year would add greatly to the appearance of the city.

Jacksonville should want to attract tourists, and this can not be accomplished if she does not look her best. Jacksonville must not expect to be boosted, if she does not live up to the reputation of being a clean city, and we are the ones who can help her secure that reputation, by doing our bit to help keep our city looking her best at all times.

Note the Quick Turn Truck wil all-steel stub tongue

The above is a cut of the 1922 make of John Deere Binder. We sold out of binders last season and now have new 1922 machines.

These machines have steel decks, the grain wheel is of an improved design, the bundle carrier is easier to operate and the binder in general shows improvement over the machines made during the rush of after war conditions.

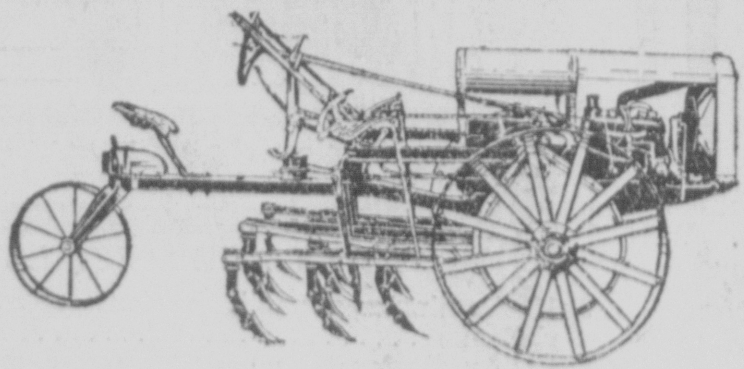

Come in and see one of these set up.

We also have the famous Plymouth White Sisal long fibre twine. We have a car load of bale ties.

For Real Efficiency

We all realize that corn plowing will soon be here. For economy, ask any user of the To-Ro Motor Cultivator.

One man with this machine will plow from 20 to 25 acres per day and do better work, with less effort than three men with single row cultivators.

See the 'To-Ro's' Clean Operation

The ToRo is the 100% motor tool, will do any and all work on the farm usually done by four horses. Seeing is believing. Let us show you.

Remember—Wheat harvest, haying and corn cultivating will all bunch up and you will need a real help to save your crops. We are here ready to serve you. Our service is the best to be had and our pleasure is to serve.

PRICE OF WHEAT BROKE SHARPLY

By Associated Press.
CHICAGO, May 20.—Evening
up for the week end caused
wheat prices here to break sharply
during the last hour of trading
today, the May delivery leading
the decline altho reports from the
southwest for the new crop gave
the market a rather bullish con-
struction in the early dealings.
The finish was unsettled with
values showing a net loss of
3 to 4c, May \$1.35 1/2 to \$1.38
and July \$1.23 1/2 to \$1.23 3/4; corn was
up 1/4 to 3/8, and oats ranged from
as low as 1c higher. Provisions
ranged from 5c lower to 50c
advance.

The wheat market showed fair
strength in the early trading with
commission houses and shorts on
the buying side of the deferred
deliveries which averaged slightly
higher despite a break in
values at Liverpool. The May de-
livery was under pressure from
scattered longs and averaged
lower, the best support coming
from a local elevator interest
which was also the best buyer
yesterday. The action of May
continued to be the dominating
influence, other factors being
almost entirely ignored.

The report from the southwest
told of the deterioration in the
condition of the crop as the har-
vest approaches it being said that
rain was needed in some sections
which have had insufficient rain
fall in the past six weeks. This
report was largely responsible for
the early firm undertone of the
market. Receipts of wheat were
225 cars and divers on May con-
tracts were 430,000 bushels.

Corn and oats, while acting
rather firm early reacted from
the high point in sympathy with
wheat but there was no material
pressure and the selling was
mainly of a local character until
near the close when export in-
terests became heavy buyers of
July corn. Provisions averaged
lower with a rather light trade.
It took little selling to make the
lower range despite the strength
of hogs.

SELLING PRICES REMAINED UNCHANGED

(By The Associated Press)
Chicago, May 20.—Selling
prices remained practically un-
changed on the butter market to-
day because buyers would not
pay more, but due to less ten-
dency on the part of the dealers
to sell freely the tone of the mar-
ket was considerably firmer.
Some 32 score could be bought at
34c, but the bulk of this was
held for one half cent more.
Lower grades were also held
more firmly. Ninety score cars
were very firm and while most
of the buyers were not interested
above 34c were a premium. Lower
score of centralized were
steady to firm at unchanged
prices.

LEONARD CLEANABLE

ONE PIECE—PORCELAIN LINED REFRIGERATORS

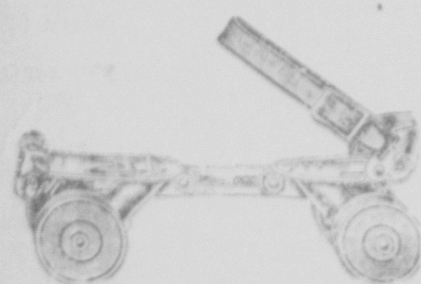

THE LEONARD CLEANABLE

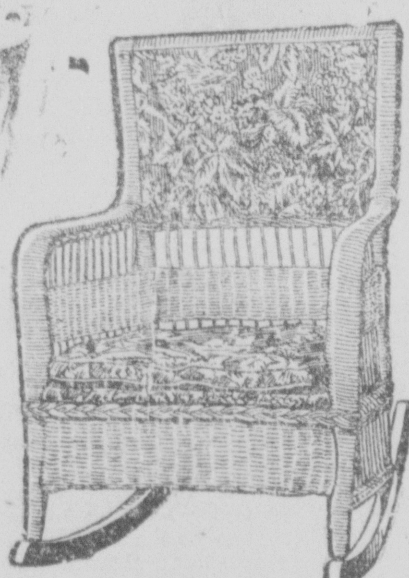

can be cleaned in five minutes. It's the only truly cleanable refrigerator. You wouldn't, of course, eat anything but clean food. Yet food cannot be clean that has been in an unsanitary refrigerator. A bad odor in your refrigerator is always a danger signal.

A Leonard Cleanable is made with a one-piece porcelain lining, smooth, pure white, everlasting, just like a piece of china, except that it is unbreakable. This porcelain you cannot possibly scratch, not even with a steel knife blade. It has no cracks or crevices in which grease or germs may collect. It is as clean as a china dish and as easily kept clean. Notice how the porcelain lining of the door is made in one piece.

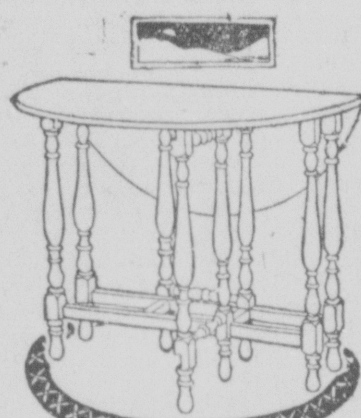

For your family's sake, learn about the Leonard Cleanable. We want to tell you its many good qualities. Call and get an interesting booklet, "The Care of Refrigerators." It contains many good points you ought to know.
